Slim's Healthy Kitchen aims to offer healthier alternatives to the dishes you love, yet we cannot guarantee that guests with food and /or beverage allergies may not be exposed through cross contamination (particularly nuts / seeds). Every care is taken to avoid any cross contamination when processing a specific allergen free order. We do however work in a kitchen that processes allergenic ingredients & does not have a specific allergen free zone or separate dedicated fryers. Allergen data is held on each of our dish ingredients, so please ask your server should you require any more detail.
