AGM PRODUCTS
Built to meet the demands of the roughest environments on earth
With 2 decades of designing / racing knowledge and a passion for improving our customer’s experience, we have made it our mission to tackle the problems you face in racing or at play. To really look at the issues that are robbing your time, damaging the components you’ve worked so hard to buy or leaving you stranded on the trail. Problems that are stealing your fun, costing you the race and thousands of dollars in the process. Do not let these time and fun thieves ruin your day. Let our unique brand of creative solutions help you.

All AGM products are built to exacting standards, using only high quality aerospace grade materials. All products are treated to increase strength and improve corrosion protection. And every product is tested for performance, durability and reliability.

But its not enough to simply offer a quality product. AGM also strives to educate in a low pressure enviroment, so you are more informed and can make better buying decisions. And as a result have a more rewarding experience with the end product(s).

In short, our goal is to make-

RACE INSPIRED TOOLS AND PRODUCTS
DESIGNED TO HELP YOU WORK SMART IN THE SHOP AND PLAY HARD ON THE TRAIL
So what’s a CV Saver?
The AGM CV Saver is a disc, that is placed between your CV joint and CV boot. They are an easy and inexpensive way to guarantee that more of the grease you pump into your CV’s joint stays there. By preventing the grease from migrating out into your CV boot, away from your CV joint. The AGM CV Saver ensures that the joint will remain lubricated and running cool for a much longer period of time.

How do I know if they’ll fit my vehicle?
First, determine what style boot flange you have - Single boot or double boot. (diagram below shows the 2 styles of single boot flange available).

If you can see your CV bolts when your CV boot is installed then you will need to upgrade to the Bates style flange. We have the correct flanges in stock. Drilled and tapped to accept the CV Saver.

If you cannot see your CV bolts when your CV boot is installed then you have a Bates style over-boots and we have kits for you.

If you have double boot flanges, compare to the images below to find the one that looks like yours. Reference the next page for part numbers and descriptions.

Fortin trans-side double boot or EMPI double boot
Fortin hub-side double boot
Pro-Am doube boot flange

Call if your flange is not represented above
934 CV Savers:
- AGM-934-4KIT: C.V. Saver 4 pack - w/ rings and hardware - 934 CV Single boot flange
- AGM-934-2KIT: C.V. Saver 2 pack - w/ rings and hardware - 934 CV Single boot flange
- AGM-FCV-934H: Replacement CV Saver - 934 CV Single boot flange - sold as pairs

930 CV Savers:
- AGM-930-4KIT: C.V. Saver 4 pack - w/ rings and hardware - 930 CV Single boot flange
- AGM-930-2KIT: C.V. Saver 2 pack - w/ rings and hardware - 930 CV Single boot flange
- AGM-ECV-9340: Replacement CV Saver - 930 CV Single boot flange - sold as pairs

PRO-AM CV Savers:
- AGM-PCV-4KIT: C.V. Saver 4 pack - Pro Am double boot
- AGM-PCV-934T: Replacement CV Saver - Pro Am double boot - Trans side - sold as pairs
- AGM-PCV-934H: Replacement CV Saver - Pro Am double boot - Hub Side - sold as pairs

Fortin CV Savers:
- AGM-FCV-4KIT: C.V. Saver 4 pack - w/ rings and hardware - Fortin double boot
- AGM-FCV-934H: C.V. Saver 2 pack - Fortin Hub side
- AGM-ECV-2KIT: C.V. Saver 2 pack - w/ rings and hardware - EMPI double boot / Fortin Trans side
- AGM-ECV-9340: Replacement CV Saver - Fortin double boot - Trans side - sold as pairs
- AGM-FCV-934H: Replacement CV Saver - Fortin double boot - Hub side - sold as pairs

EMPI CV Savers:
- AGM-ECV-4KIT: C.V. Saver 4 pack - w/ rings and hardware - EMPI double boot
- AGM-ECV-934H: C.V. Saver 2 pack - w/ rings and hardware - EMPI double boot / Fortin Trans side
- AGM-ECV-9340: Replacement CV Saver - EMPI double boot - sold as pairs

Tatum CV Savers:
- AGM-TCV-2KIT: C.V. Saver 2 pack - w/ rings and hardware - Tatum Hubside Single boot flange
- AGM-PCV-934H: Replacement CV Saver - Tatum single boot - Hub side - sold as pairs

Summer Bros CV Savers:
- AGM-SCV-2KIT: C.V. Saver 2 pack - w/ rings and hardware - Summer Bros Hubside boot flange
- AGM-SCV-934H: Replacement CV Saver - Summer Bros - Hub side - sold as pairs

Series 30 CV Savers:
- AGM-S30-4KIT: C.V. Saver 4 pack - w/ rings and hardware - Series 30 Single Boot, no flange
- AGM-S30-2KIT: C.V. Saver 2 pack - w/ ring and hardware - Series 30 Single boot, no flange
- AGM-P30-2KIT: C.V. Saver 2 pack - w/ ring and hardware - Pro-Am Series 30 boot flange

AGM-DBK-1032: 10-32 tap and drill bit kit - for 930 / 934 single boot cv saver or tatum hubside cv saver installation
AGM-DBK-1024: 10-24 tap and drill bit kit - for EMPI double boot cv saver installation

AGM-86-9313: 930 CV Single Boot Flange- Drilled and tapped for CV Saver
AGM-86-9310: 934 CV Single Boot Flange- Drilled and tapped for CV Saver
AGM-CVC-9300: 100-120 mm CV Boot hose clamp, 930 CV
AGM-CVC-9340: 130-150 mm CV Boot hose clamp, 934 CV
AGM-86-9306: 930 CV Boot (Bates style)
AGM-86-9311: 934 CV Boot (Bates style)
Factory spring dividers can rub, bind and break. Causing poor performance, unnecessary down time, added costs and annoying noises. Stop the pain before its too late. Replace your stock dividers with AGM Suspension sliders today. The results are suspension that move more freely, looks great, lasts longer and NO more spring related SQUEAKS.

- MEASURE rod end lengths IN SECONDS
- 100% ACCURATE measurement, everytime
- Spend LESS TIME replacing rod ends and reduce errors

Stop wasting hours in the shop-

Find true center in seconds. Fast, repeatable measurements that anyone can make.

Get your lost shop time and sanity back.

---

**RESERVOIR PISTON TOOLS**

Part# AGM-RPT-1420

- STRUGGLE FREE removal of piston
- Check/set piston depth with ease
- PREVENT piston MOVEMENT while bleeding shock

Finally a quick and accurate method

Of measuring/setting piston depth and monitoring piston movement during shock bleeding.

Works with all major shock brands.

---

**SHOCK SHAFT JAW**

Part# AGM-SSJ-5SET

- ROCK SOLID HOLDING POWER
- FITS shock shafts from .625” to 1.25”
- Mounts in ANY VISE or PRESS

Quality matters

Generic and repurposed clamps damage and scare shocks. Costing you time and money.

Dont compromise. Clamp with our shock shaft jaws.

FAST, EASY operation -
REPLACE uni-balls ON THE VEHICLE -
No more lugging around heavy, awkward parts -

**Work smart, not hard**

No more time lost removing the suspension, wrestling with the press or beating on your race car with a hammer. Change out worn parts in record time with the suspension still on the vehicle.

**AXLE SHAFT JAWS**

Part# AGM-ASJ-2126

FAST REMOVAL of CV from axle shafts -
CLAMP entire axle or just CV housing for service, HORIZONTAL or VERTICAL -
FITS STOCK and AFTERMARKET AXLES -

CV removal made easy

Securely clamp your axles or CV, freeing your hands for prep. Without damaging your parts like the vise does. And make quick work of CV removal with the strike plate.

**SUBMIT YOUR IDEA**

Part# AGM-NEW TOOL

See your idea come to life -
Get your tool 100% FREE of charge -
Enjoy using your tool during your next repair -

Ever think - if I only had "__" tool? But that tool doesn’t exist.

Got a great idea for a tool or product that would make your life easier? Share your ideas with us at info@allgermanmotorsports.com. If we select your idea, you can participate in the creative process and have the idea made for you, FREE of charge!
The ultimate tool for fast tire changes, getting unstuck & lifting your vehicle for service. Stop worrying about flats, deep sand and silt ruining your day..
Get the system, win the race!

- Uses existing hydraulic power steering system
- EASY TO USE, LIGHTWEIGHT and reliable
- Driver can operates without even unbuckling their seat belt.
- Get unstuck, sometimes without getting out of the vehicle
- REDUCED DOWN TIME and physical fatigue
- EXPONENTIALLY INCREASED SAFETY
- Offered in three travel lengths- 24", 30", 33" and 2 pad sizes 8" or 12"

Highlights and Features

- **LIFT HOW YOU WANT**
  Use the supplied biscuits, a universal hook, or make your own adapter(s). All work with this modular system.

- **SIMPLE TO USE**
  1 button operation makes the jack simple & easy to use.

- **V-GROOVE TOP CAP**
  The first jack that lets you lift from the roll cage, front or rear bumpers.

- **ADJUSTS ON THE FLY**
  The quick release mount lets you easily set your desired lift height. Then change it on the go, in seconds.

- **ADAPT TO THE TERRIAN**
  360 degree articulation and our proven compression pad design, allows this jack to adapt to any type of terrian.

**WELD ON BISCUITS**

These small, low profile, weld on biscuits mount to your suspension or chassis and provide a mechanical connection between the Jack and vehicle. Ensuring your car will never fall off the Jack.

**UNIVERSAL HOOK**

Don’t want to weld mounts to your chassis? No problem. You can hook and lift the suspension or chassis with the universal hook or flat pad.

**NOW YOU CAN RECOVER YOUR ROLLED OR STUCK VEHICLE**

ON YOUR OWN, IN MINUTES!
TRAIL JACK UPGRADE KIT

Love your trail jack, but wish it lighter, easy to handle, did not rust or came in different color options? ...Then we have just the upgrade for you!

- **WILL NOT RUST** or bind like stock steel parts
- **HIGH STRENGTH** 7075 alum / 16 color combos
- **66% LIGHTER** = easy to handle / less load on mounts

**Comes in Black, Red Natural and Blue**

AGM LIFETIME WARRANTY

The All German Motorsports (AGM) brand is known the world over in off-road racing as innovative products engineered to increase performance, reliability and simplify. However, there's added peace of mind with the All German Motorsports Full Lifetime Warranty. Should your AGM product ever malfunction from defects in workmanship or materials, we will repair or replace the product free of charge.

What is Covered
All All German Motorsports products are warranted to be free of material and workmanship defects. AllGermanMotorsports.com sells brands other than our own. This Full Lifetime Warranty applies ONLY to All German Motorsports branded products. Products of another branding or Non-All German Motorsports products are solely covered by their respective manufacturer warranty. Each product brand manufacturer warranty varies from each other and is included with their product. These warranties should be reviewed carefully for additional information.

How Long Coverage Lasts
This warranty lasts for the lifetime of the All German Motorsports product. Warranty coverage ends when the product becomes unusable for reasons other than defects in workmanship or material.

How to Obtain Service
To obtain the benefit of this warranty, simply contact us via email at info@allgermanmotorsports.com and request a WMA number (Warranty Merchandise Authorization) for the return. In the email, please include your order or invoice number and a phone number where we can reach you. You will receive an email with the WMA number for your warranty return along with specific return instructions. You will be responsible for freight charges.

What We Will Do to Correct Problems
Warranted products will be repaired or replaced, at All German Motorsports’ option and returned at no charge; or if after three attempts to repair or replace during the warranty period the product is still defective, you can elect to receive a full refund of your purchase price.

What is Not Covered
Failures due to misuse, abuse or normal wear and tear are not covered by this warranty. All German Motorsports shall not be responsible for any incidental or consequential damages. No labor or inconvenience may be included in any warranty claims. Improper installation can cause premature wear and failure of the product. Products compromised due to improper installation are not covered. All German Motorsports may deem a product to be improperly installed after careful inspection. It is the responsibility of the customer/installer to verify the correctness of size and application of all parts before installation. There is no warranty on decals, stickers, light bulbs, apparel and electrical parts, unless otherwise noted.

No Other Express Warranty Applies
This Full Lifetime Warranty is the sole and exclusive warranty for All German Motorsports products. No employee, agent, dealer, or other person is authorized to alter this warranty or make any other warranty on behalf of All German Motorsports.

Executing the All German Motorsports Lifetime Warranty
All German Motorsports offers a comprehensive lifetime warranty to support products purchased under the All German Motorsports brand. All German Motorsports branded products are built with reliability, dependability and durability and are covered by a Full Lifetime Warranty against defects in materials or workmanship. In the event that you have a problem with your All German Motorsports product due to a defect in materials or poor workmanship, we will attempt to remedy the problem in a timely manner.

Defining no
Commonly, our products are used on off-road vehicles in desert racing, in the most demanding applications and environments. Under these conditions and over time, the All German Motorsports product may experience normal wear and tear and require service. While normal wear & tear is NOT considered a “defect” and is not covered by the All German Motorsports Lifetime Warranty, it is our goal to get your AGM product back in use a soon as possible. To help facilitate such a need, All German Motorsports offers replacement service parts for some of its products, allowing you to replace the part of the product that will experience the normal wear and tear as described herein.

Defining defects in materials or workmanship
It is our experience that a product that fails prematurely due to a manufacturing defect in materials or workmanship will generally do so very early in the products life cycle, often the first or second time the product is used. When returned for inspection, these products are generally found to still be in like new condition and show very little signs of use. It is uncommon for a product that was manufactured with a defect, to survive under normal use for any extended period of time. Products that are returned for warranty inspection after months or years of continuous reliable service are rarely found to be defective. The most common demand for service is the result of normal wear and tear issues, which are not considered to be a defect in materials or workmanship.

LEGAL DISCLAIMER

All orders placed with All German Motorsports by (phone, fax, mail, internet/web & e-mail) constitute the acknowledgment and acceptance of all conditions listed on AllGermanMotorsports.com and all conditions listed below. All parts shall remain the property of All German Motorsports until paid in full. In the event that our computer server/database encounters technical difficulties which may cause problems with our product pricing or shipping calculations, All German Motorsports will correct all discrepancies at the time of processing. Customers will be notified of any errors and will have the option to continue with their order with corrected totals or cancel their order. All German Motorsports will not be held responsible for any miscalculated totals due to errors. All prices, materials, design, color, contents included with a product, and product specifications are subject to change without notice. Some product images may be shown with optional items that are sold separately. Product photos are for illustration purposes only - some product colors/pigmentation may differ from actual photos.

Payment Policy
All German Motorsports accepts the following payment methods through our secure online website.
- Credit Cards (Visa, MasterCard, American Express or Discover) Note: Shipping address MUST match billing address. California residents are charged an 8% sales tax.
- Pre-Paid Money Order or Certified Cashier's Checks in U.S. currency only. Note: Must wait for funds to clear before order is processed. Please allow 7-10 business days after receipt of check.
- We DO NOT accept International Credit Cards

If paying by Money Order or Certified Cashier’s Check you can call/email us for a price quote or simply print out the Shopping Cart screen showing all in-cart items and your grand total showing shipping charges included and send along with your payment. Please make the Money Order or Certified Cashier’s Check payable to ALL GERMAN MOTORSPORTS. Be sure to include your name, email address and a phone number where you can be reached and mail your payment to:

All German Motorsports
ATTN: Online Sales
1331 Simpson Way
Escondido, CA 92029

International Orders
For International Orders, please email us with the product(s) you would like to order, the quantity of each item and your shipping address. We will put together a price quote and contact you by email with your quote and instructions for remitting payment. Payment for international orders must be pre-paid by Certified Cashier’s Check, Money Order or Bank Wire Transfer, all in U.S. currency. Shipping is either U.S. Postal Service or DHL Express, customer’s choice. Large parcels must be shipped via DHL Express. All orders shipped via DHL Express are insured to the total value.

Sale and Promotional Items
For all items that are on sale or special promotion, refunds are not accepted. ALL SALES ARE FINAL.

Shipping Information
Shipping and Handling charges are based on the following criteria:
- The delivery option you choose
- The weight, size and dimensions of your items
- Your shipping preferences
- Orders are normally shipped via UPS or USPS
We do our best to accurately estimate when items will ship from our facilities. Estimated shipping dates are based on several factors, including your destination address and how quickly we can obtain and assemble items for shipment.

Estimated Delivery Time
- 1-3 business days for the order process
- 1-7 days transit time for U.S. Continental shipments
- 5-30 days transit time for International shipments

Occasionally an item may be oversold. If this is the case, we will fill the orders on a first come, first serve basis.

Backorders
If for some reason an item on your order is temporarily out of stock, you will be notified via phone or email. If you have multiple items on your order, you will have the option of having the "in stock" items ship and the "out of stock" items will be backordered for you. As soon as the backordered item arrives at our warehouse, it will be shipped and the appropriate shipping charges will also be applied. We continually seek updates on backordered items and update your order status until the backorder is filled. You must notify us to cancel a backordered item, or you will be responsible for sending it back to us and a 25% restocking fee will be applied to your return.

Damages
All German Motorsports packs all merchandise carefully according to the shipping carriers guidelines, in order to prevent damage during shipment. Nevertheless, damage may occasionally occur in transit. Please inspect your package(s) immediately prior to accepting delivery. Before signing for your package, make sure the box or packing tape has not been damaged. If the package looks like it has been tampered with or damaged during shipping, do not sign for it! Damages and evidence of tampering must be reported to All German Motorsports and to the shipping carrier immediately. It is extremely important that the contents of the shipment be thoroughly inspected upon receipt for the shipping damage. If damage is observed and found, simply refuse the package due to the damage. If you happen to sign for the package and notice the damage after the fact, contact us immediately. We will respond within 24 hours and will guide you through a return and replacement process.

Returns for Refund or Exchange
All German Motorsports product returns must be accompanied by a Return Merchandise Authorization (RMA) number. You can request an RMA number by sending us an e-mail to info@allgermanmotorsports.com. In your email please include the following:
- Order number
- Reason for returning
- Your full name
- Date of purchase
- Phone number and e-mail address

RMA number(s) expire 7(seven) days after they are issued. Items returned without an RMA number or using an expired RMA number will be refused.

Note: Separate RMA numbers should be obtained for different orders.

General Return Guidelines
Within 5 days of receipt of your order, you may return products that:
- Are in their original packaging/unopened
- Have original manufacturer information
- Are not damaged
- Do not have missing parts
- Is in re-sellable condition
- Has not been used

All non-defective returns are subject to a 25% re-stocking fee ($15 minimum). All return freight charges must be prepaid by the customer. There are no refunds on freight. The cost of shipping will be credited only in those instances where the return is a result of our error. All returns are ONLY for store credit or an exchange for items equal or lesser in value. If your return results in the need for a replacement, the replacement item will be sent once the incorrect item has been received and confirmed by All German Motorsports. If you install or modify parts ordered in any way whatsoever, you automatically waive your right to returns, refunds or exchanges.

Cancellation Policy
Please call our Customer Service at 760.884.8319 to cancel an order. Within 24 hours of placing the order, you may cancel without any penalty, unless the order has already been processed. All German Motorsports processes your order electronically, therefore, your order may be processed upon submission; We will make every effort to stop the processing of your order if it has not shipped.

Please call us immediately if you wish to change or cancel your order.
- All cancelled orders will assess a 5% cancellation fee.
- Your order must be confirmed by Customer Service that it has not shipped from our warehouse or the manufacturer. Once confirmed, you will be issued a credit or refund minus cancellation fees.
- Orders already shipped from our warehouse or the manufacturer cannot be cancelled and will fall under the Returns for Refund or Exchange guidelines.

Note: When calling to speak to a sales rep or other All German Motorsports employee, please take down their name(s) for reference.

Special Order Items
Special order items or custom order items are items which we do not normally stock and cannot be cancelled, returned or exchanged. NO EXCEPTIONS. All special orders and custom orders will be processed in the most timely and efficient manner possible, however, All German Motorsports will not be held responsible for delays above and beyond its control. Any refused shipments sent back to All German Motorsports does not constitute the right to a refund or credit. It is the customers responsibility to make all arrangements with All German Motorsports for refused shipments. All German Motorsports will charge the customer all freight charges associated with the shipment and a 25% restocking fee on all products shipped.

Legal Venue
In the event that legal proceedings are required to resolve disputes or indifferences, all claims and filings must be made with the Vista Municipal Court located in Vista, California. All German Motorsports customers will acknowledge and agree to this stipulation once a transaction has been made with All German Motorsports. Thank you for taking the time to read our Disclaimer and Policies. If you have any questions regarding any of the information listed above, please contact us by email.
