Rock and Hop 2024

Welcome, our amazing supporters to the Caroline Bay Rock and Hop 2024. Do we have an event for you!

Following on from our awesome event last year and not wanting to bore you all, the organising committee have made some changes and additions to our usual line up of events. The Laps at Levels event which we held last year for the first time is back and we are just waiting to welcome you all to Levels Raceway for more fun.

On Friday evening we have our blast from the past “Its in the Bag” event, hosted by OJ from The Breeze and our very own Tineke Bouchier assisting him. This should be a fun, fun night as “by hokey”, “what should we do Timaru?” “The money or the bag?” Get your ticket to this show and be part of the audience encouraging take the Money or the Bag! Or be part of the show and in with the chance to win the bag or take the money, either way you won’t want to miss out.

Look out for our Caroline Bay Rock and Hop hostesses. You will spot them dressed in our iconic red and white polka dot dresses just like our poster girl. Need any Rock and Hop information, these girls will help you. Stop them, have a chat or place a donation in the bucket to pose for a picture to show your friends, or include your friends in the shot!

I’m looking forward to seeing you all with your gleaming vehicles, large smiles and all decked out in your finest ‘50s & ‘60s gear, just waiting to kick back and have a blast.

Enjoy your time with us at the Caroline Bay Rock and Hop 2024!

OUR MENUS ONLINE

There is so much to see and do in the Timaru District, and we're the perfect base for exploring the Central South Island.

Base yourself in Timaru, or in our scenic rural towns of Geraldine, Temuka or Pleasant Point. If you really want to get away from it all head to beautiful Peel Forest and mountainous Mesopotamia.

We're home to iconic brands including Barkers of Geraldine, Heartland Potato Chips and Denheath Custard Squares.

Tours of the DB Brewery factory take you through the brewing process from raw ingredients to the brewery's high speed bottling line. Sampling the freshest of today's brews is a refreshing conclusion to your tour.

Timaru is home to Caroline Bay, our summer playground. Little Penguins nest here, there are fantastic coastal walks, a pontoon for leaping off into the Pacific Ocean, and lots of options for family fun - free and unplugged.

The Aigantighe Art Gallery and Sculpture Garden is world class and is home to an extensive permanent collection of New Zealand and international art.

On the subject of art, we are home to **Aotearoa's earliest art galleries**. Local Ngai Tahu guides can take you on an informative and fascinating tour of our Maori rock art sites, and **Te Ana Maori Rock Art** Centre in Timaru is a must visit.

We're a day trip away from Aoraki/Mount Cook, for epic scenery, star gazing, hiking and more.

Geraldine is a fantastic destination for food and art lovers. See resident artists in their galleries, stock up on gourmet food, stroll through native bush and shop in boutique stores.

Then head to **Peel Forest** for bush walks with waterfalls, canyoning, and scenic horse treks for all ages and abilities. You can even climb a mountain and be home in time for lunch at the fabulous cafe in the heart of Peel Forest village.

We love our heritage attractions. We have multiple museums to explore throughout the District. The Pleasant Point Railway and Museum has been rated as one of NZ's top preservation railways.

If it's machinery museums that interest you, we have two more in Geraldine and Washdyke.

About Levels International Raceway

The South Canterbury Car Club Inc was formed in 1947 running hillclimbs and paddock events. The club progressed from this to running the Waimate 50 Street Race until 1966. In 1967 a street event was run in Timaru in the Craigie Avenue area. Land was purchased at Falvey Road and a permanent 1.6km circuit built. The first event was held in November of that same year. The club continued to develop this venue running club and National Championship racing. In 1988 it was decided that it was time to move up a level and increase the length of the circuit and develop it up to the international standard that it is today.

The circuit is now licenced to FIA category 3 which allows the club to run international events as well as National Championships including the NZ Touring Cars and Super Truck Racing.

Geraldine Vintage Car and Machinery Museum

The Geraldine Vintage Car and Machinery Club Museum is one of the most popular attractions in Geraldine and often described as the finest museum of its type in the Southern Hemisphere. Even more impressive is that the place is run completely by volunteers - characters who could claim 'vintage status' in their own right.

Nestled discreetly on Talbot Street, Geraldine, many a visitor has been unaware of the Tardis-like scope of this treasure trove, which encompasses seven display buildings and over 2000 exhibits. Vintage and classic cars jostle for space with motorbikes, over a hundred tractors, vintage farm machinery and much more. If it has an engine, there is a good chance you'll find an example of it somewhere among this collection, which has continued to grow since the club and museum were formed in 1967.

With something to interest everyone, from enthusiasts to the harder to please, the collection boasts a number of rarities including a 1968 Holden HK Bathurst Monaro, late inventor John Britten's hand-crafted gypsy caravan, a 1925 Harley Davidson with a coffin sidecar, P76 Leyland complete with 44-gallon drum in the boot and an original 1929 Spartan Biplane.

The social history of Geraldine is also well represented with a re-creation of the interior of the famous Morrison Bros. Department store (NZ's longest operating department store, continually owned by the same family, until it closed in 1998 after 131 years of service) and projection equipment from the historic Geraldine Cinema.

The museum is an important part of the Geraldine community, not only acting as custodian of an important aspect of the district's pioneering past, but club members and vehicles often participate in local events showcasing some amazing vehicles, giving rides, and enabling people to enjoy a piece of history in motion.

Exhibits are often gifted to the museum or restored by members as a project. And the Tuesday Men's Shed team are always tinkering with something or other. The volunteers are rightly proud of their collection and always keen to share their knowledge with visitors resulting in a highly personalised experience.

Allow 1-2 hours to fully wander round and fossick among the buildings, as each display has a story to tell. Opening hours are 9.30am - 4.00pm every day from mid-September to Queen's Birthday weekend in June, and 10am - 2.30pm during winter.

During the Rock and Hop weekend the Museum will be donating \$5 from each entry ticket to South Canterbury Hospice and also adding a \$250 donation of their own on top.

Visit and support a good cause at the same time!

Not sure how to get there? The Museum will be running some of their fleet, such as the 1910 Italian Bianchi Town Car, as a complimentary taxi service from the Geraldine Rock and Hop park-up in the centre of Geraldine to the museum, or you can easily stop off on the way in or out of Geraldine as the museum is right on the cruise route.

With so many ways to visit there are no excuses not to put pedal to the metal to visit the Geraldine Vintage Car and Machinery Museum this Rock and Hop weekend.

Museum

10 Craig Road, Geraldine

Paul Robins from Route 79 Museum has kindly agreed to open on Friday for our Rock and Hoppers. This is a unique private collection of vehicles, army guns, collectables and much more.

Route 79 is just out of Geraldine on Highway 79. It's not far, so make sure you take the time to enjoy something a little different. Entry is \$10 with \$5 being donated to Hospice.

Please take cash as there is no eftpos.

FRIDAY NIGHT

Timaru District Council Main Street Cruise

**Park up at Caroline Bay from 3pm
Leaving the Bay area at 5.30pm sharp.**

Cruise the main streets of Timaru, Pleasant Point and Temuka, wave to the cheering public and take in the atmosphere of the Caroline Bay Rock and Hop. The Friday night Main Street cruise is a highlight for many participants and the public alike. The streets are lined with people. Locals get out the BBQs and deck chairs and watch the passing vehicles. There is such an amazing atmosphere you do not want to miss this. The Timaru and Temuka main streets will be closed to other traffic, but please take care when turning onto State Highway One at Temuka.

Please also note that parts of the cruise are at a slow pace, if your vehicle tends to overheat you may wish to pull over.

If you do not have your vehicle registration sticker on your window you will not get down the main street of Timaru.

ALL CRUISE MAPS ARE AVAILABLE ON OUR WEBSITE AND AVAILABLE TO DOWNLOAD FROM LINKS ON YOUR TICKET.

Please ensure you get a copy and familiarise yourself with the new cruise route.

FRIDAY NIGHT

Temuka Rock and Stop

Be part of Temuka's celebrations for the Rock & Hop weekend.

On Friday night the Temuka main street will be closed from 5.30pm till 9pm to normal traffic so that Rock and Hop entered cars can cruise through. Park up if you wish and join in. Music will be playing so wear your Rock'n Roll outfits and do some dancing.

More parking is available on Commerce Street and in the car park adjacent to 100% Homemade (opposite the Saleyards).

FRIDAY NIGHT

Timpany Walton Lawyers “It’s in the Bag” night

If you remember Selwyn Toogood and “it’s in the Bag” or if you are wondering what the heck are we are talking about, come and join us as we recreate the show of an era.

We have our own rendition of Selwyn and Tineka set to delight and entertain you.

Once again hear those phrases “by hokey Timaru what is she to do? “Money or the bag Timaru”. What will be inside the bag? A weekend getaway or something minor but useful? Loads of fun, live entertainment, cash bar and supper. Don’t be slow getting your tickets!

Want to be a contestant and be part of the show? For an extra fee you can get your name into the live draw for the opportunity to be a contestant - remember, Selwyn’s questions weren’t always difficult. Check out our website for more details.

SATURDAY

Gala Day

With the 2023 Rock and Hop attracting crowds of around 25,000 people the Saturday is the big Rock and Hop Show and Shine Gala day. There are 1000 vehicles, more than 100 stalls, bands, rock and roll dancing, competitions including best dressed, great food, a bar and so much more. Your day will be hosted by OJ from The Breeze. Listen up as there is a lot happening and he will let you know all about it.

Be sure not to miss the grand prizewinners' parade at 3pm. The winning vehicles will be paraded in front of the stage and presented with their trophies.

Walk-in entry is a donation to our local Hospice so come on down, be generous, support your community Hospice and enjoy a great day of fantastic entertainment.

Best Dressed Competition

One of the most popular parts of our show is the Rock and Hop Best Dressed Competition. With a ladies, gentlemen and a child's competition there is something for everyone. Get dressed up in your best '50s, '60s clothing and strut your stuff on stage. You MUST pre register online, there are limited spaces so get in early. You then need to check in before 12 noon.

WIN Big at the Gala Day

Someone **MUST** Win

\$10,000 Cash

Yes it's true. Someone will be \$10,000 richer after the Gala day. You need to purchase your lucky ticket for only \$10 to enter the draw. The winners will be drawn live on stage at 3.45pm and we would love it if you could all be there.

Tickets will be on sale from our Hospice Shops before the Gala Day; you can also order yours from our website after 19th December and if there are any left they will be available on the day from our information centre or one of the volunteers selling them round the event.

The reason we are all here!

The Caroline Bay Rock and Hop is our main fundraising event each year, but some of you might not be aware of what Hospice is or what we do.

- ♥ Hospice South Canterbury runs a seven-bed inpatient unit delivering specialist palliative care. The facility is in Highfield, Timaru.
- ♥ 200 patients and families are admitted to the inpatient unit a year.
- ♥ As much as possible we endeavour to make Hospice a home away from home. We even have a Hospice cat who becomes a valued friend of many.
- ♥ Our care is holistic, focussing not just on the physical but the cultural, spiritual, emotional, and social needs. We also support patients' families.
- ♥ Patients have a terminal illness likely to end their lives in the next 12 months.
- ♥ Patients are admitted for end-of-life care, symptom management and sometimes respite care.
- ♥ Approximately half of patients admitted die in Hospice. The remainder either return home (but may return later) or go to a rest home.
- ♥ Other services include a wellness day for community patients, community education courses, outpatient clinic, night sitting service, grief and loss counselling service and bereavement support.

- ♥ Referral is most often via their GP or hospital's palliative care team.
- ♥ No restrictions on age or type of condition.
- ♥ Hospice employs the equivalent of 20 fulltime staff, even though there are 36 of us.
- ♥ 50 per cent of funding comes from the Government, with us raising the rest.
- ♥ This year we need to raise \$1.5 million. This event is significant in allowing us to do this. The rest comes from our 2 second-hand shops, from grants and donations and other smaller events.

We are indebted to all the support you give us.

Look out for our Hospice gazebo at the event. Do pop in and say "Hi".

SATURDAY NIGHT

Rock Your Socks Off

Unwind from your Saturday at our "Rock Your Socks Off" party. Local band Shalow will get your feet tapping and your hips swinging. The Caroline Bay Hall dance floor will be jumping! If you miss out on a ticket there, join Magic at the Cosmopolitan Club.

Magic is a Christchurch based band, though when playing in Timaru tries to use local musicians and artists. The band members donate their time and talent to the Cosmopolitan Club on this night. All money raised from the dance is donated to the Caroline Bay Rock and Hop, including the musicians fee.

So, dust off those dance shoes and rock the night away. Make your weekend one to remember.

Meet the Committee

Left to right:

Stu Jenkins, Debbie Kingan, Jill Pearce, Bevan Cunningham, Phil Rooke, Darlene O'Neill, Peter O'Neill, Mary Jean Wood, Kim Rogers, Phil Sanders, Brendan Nicholls.

This team of hard working passionate individuals work all year round to put together the Rock and Hop. Their dedication to both the event and their Hospice is inspiring. When you see them over the weekend say hello as they love to chat with everyone who supports the event.

Meet the Party Committee

Fundraising girls at Saturday dance

From left, standing: Burnetta Galpin, Bev Jenkins, Raelene Bleeker, Caitlin MacLeod, Kim Rogers, Tracey Hutchison (obscured, but you can see her umbrella) and Karen Wyatt. Sitting: Karyn Lewis (left) and Jill Hinde. In front: Jeanna Munro. Absent: Ann Brown, Lata Kumar, Helen McPherson, Susie Morton

It has been fun meeting and working with these awesome girls. Some of whom I knew from previous lives. They are the backbone of the Rock and Hop and all Hospice fundraising events. They take charge of the following:

- All our amazing hall decorations and photo booths.
- Food and suppers, sometimes with assistance from other hospice volunteers.
- They attend both the Friday and Saturday evening events, making you feel welcome and distributing suppers.
- They are a huge part of the registration team giving you entry into the Rock and Hop.
- They sell raffle tickets, collect donations and loads more.

They do all this with large smiles, plenty of jokes, loads of fun and the odd glass of wine.

These ladies are huge supporters of Hospice South Canterbury and the Caroline Bay Rock and Hop. Their support and work is much valued and appreciated.

If you run into any of them during the event, pat them on the back, they do an incredible job.

Thank you ladies for all you do!

Order Your Rock and Hop Merchandise

We will have limited merchandise available at the event.

If you would like to make sure you get your merchandise we recommend that you order before the event and pick up from our tent on the Friday or Saturday.

Thank You Hospice Volunteers

Hospice has amazing volunteers, without them Hospice wouldn't be able to do the wonderful things we do. They help us in our inpatient unit, they join us at fundraising events doing all manner of things. The Caroline Bay Rock and Hop relies on them to hold collection buckets, assist with the parking of all your cars, run our registration and information areas, make suppers for our parties, man hospice stalls, collect the rubbish when you have all gone home and so much more.

They turn up year after year to the Rock and Hop and day after day to Hospice, or our Hospice shops. Nothing seems too big or too small for these awesome people. THANK YOU for all you do for Hospice and the Caroline Bay Rock and Hop. We really do appreciate it.

Thank you for your support

On behalf of Hospice South Canterbury, and in particular our patients and their whanau, a huge thank you for your support of our main fundraising event, the Caroline Bay Rock and Hop.

Whether you be a loyal car registrant, a rock and roll dancer, a stallholder, one of our amazing sponsors or someone who attends and helps create the incredible atmosphere at this premier event, thank you so very much.

Hospice is extremely proud of this event for the opportunity it gives us to give back to our community, but we could not do that without you and we certainly could not do it without the hundreds of volunteers involved over the four days.

In particular I want to thank the members of the organising committee, volunteers themselves, who have spent many long hours preparing for this year's event. This may be the eighth time they have done this (with two events cancelled at the last minute due to Covid) but that does not diminish the workload as we seek to keep the event fresh every year. And you will certainly notice that this year.

Our entertainment committee has again put heart and soul into that side of the programme, and then there are the many people who help us out over the four days in so many roles.

All of this plus your own contribution by attending means the event is a crucial contributor to the finances of Your Hospice, and that means to the specialist care we provide to patients. In a community of this size this could well be someone you know, so on their behalf, a huge thank you.
