

# PETS

Because they're the only IRL friends you have these days

## DASH EXPRESS DOG TREAT MAKER

Yes, this is a waffle iron for dog treats. Because those charm bracelets and Monopoly games are going to take up only so much of your time.

## HOUSE OF BARKLEY MIDCENTURY-MODERN BOWL

There was a time when it was perfectly acceptable—encouraged, even—to serve dogs and cats food from a plain metal bowl. That time is over; we all deserve better.

## CATIT VESPER HIGH BASE

Some will recognize this cat tower from Jennifer Garner's Instagram—there's a scratching post, a den for cats to cozy up in, and most important, it might actually blend in with your tasteful furniture.

**GOOD TIDINGS** • A puppy in a basket is a great gift idea as long as you #AdoptDontShop—try [petfinder.com](https://www.petfinder.com) or the listings through [foundmyanimal.com](https://www.foundmyanimal.com).

## CHRISTIAN COWAN X MAXBONE JUMPER

Someone should get to dress up around here, even if that someone has four legs. Adorn the pet in your life in this adorably over-the-top knit sweater that will make them the trendiest dog (or cat!) in the neighborhood.

## FOUND MY ANIMAL ROPE LEASH

This ombre lead can be worn around the waist—along with a quarantine-walk fanny pack—or fashioned into a handled leash, because, *options!* A portion of the proceeds go to animal-welfare groups.
