

**Introduction:**

We are constantly exposed to a wide variety of potentially toxic substances. There are numerous sources of toxins including, the environment, food supply and prescription and over-the-counter medications all of which contribute to toxic overload. Through various biochemical and physiological mechanisms, the body is capable of neutralizing or detoxifying potentially harmful substances helping prepare them for excretion. The liver, being the major organ of detoxification, plays a major role in helping to chemically modify toxic substances in preparation for their removal from the body. Our **Ultra Cleansing System AM/PM Kit** contains a synergistic combination of ingredients to help support the liver, kidneys, colon and other important body systems in their efforts to dispose of potentially harmful, toxic substances.\*

**Features:**

- The Ultra Cleansing System A.M./P.M. is a comprehensive, 30 day, multi-system cleansing and detoxification program, that is scientifically designed to naturally aid the body in the removal of potentially harmful substances.
- Is safe and gentle and CONTAINS NO harsh laxatives, which can be dangerous and lead to physical dependency.
- The Ultra Cleansing System A.M./P.M. is simple and convenient, requiring an individual to take only 2 capsules in the A.M. and 2 capsules in the P.M.
