Product Name:	**Bluelab PeriPod M3**	
Product Code:	PERIPODM3	
UPC Code:	9421024920876	
Country of Origin:	New Zealand	
Tariff Code:	9027.80	
Shipping Quantity:	Sold as singular unit	
Packaging Information:		
Packaged Weight:	1.7 kg / 3.75 lb	
Packaged Length:	335 mm / 13.19 in	
Packaged Width:	215 mm / 8.465 in	
Packaged Height:	170 mm / 6.693 in	

Sales Description:
NOTE: this copy can be used in brochures, catalogues or online

Confidently automate the perfect pH and nutrient levels in nutrient reservoirs

Easy integration for nutrient solution management.

Your time is extremely valuable, don't waste it manually dosing. Designed to be teamed with the Bluelab® Pro Controller for a fully integrated solution for optimal reservoir dosing, the Bluelab® PeriPod™ is a simple and reliable inclusion.

The Bluelab® PeriPod™ responds to dosing triggers received from the Bluelab® Pro Controller and pumps pH adjusters and nutrient stock solutions into your reservoir using peristaltic pumps. Accurately measure, control and maintain pH levels. Grow sites are all different so now you can choose the size to match your set up needs and add optional extras, external alarm box and sample pot, to your nutrient dosing system set up.

Visit the Bluelab® PeriPod™ pages on bluelab.com to read more about which pump size is suitable for your system.
