Mad Farmers Cal+Mag is a readily available Calcium/Magnesium supplement designed to encourage rapid growth, and reduce problems associated with Calcium/Magnesium deficiencies such as nutrient lockout & blossom end rot. Mad Farmers Cal+Mag is highly recommended when using RO water or coco coir mediums that lack the proper levels of Calcium and Magnesium to ensure healthy plant growth.

For best results use Cal+Mag as a general purpose Calcium/Magnesium supplement with every feeding. Mad Farmers Cal+Mag should be added to nutrient solutions and/or used as a foliar spray. Mad Farmers Cal+Mag contains no dyes, and is compatible with all nutrient programs and growing mediums
