

SMART POT® COMPARISON CHART

Smart Pot® Standard Black

Smart Pot®

Fabric planters promote healthy roots. Grow healthy plants anywhere in these durable, reusable containers. Unlike plastic plant pots, Smart Pot® fabric walls air-prune the roots, allowing more efficient moisture and nutrient absorption, while maintaining comfortable soil temperatures through evaporative cooling. Trusted by growers for over 30 years. Made in USA. Bulk sizes available online.

Part #	Gallons	Recommended For	Diameter	Height	Media Needed (Cubic ft.)
8331	3	Flowers, Herbs, and Small Vegetables	10"	7.5"	0.34
