

## Technical Data

# 3M™ Neutral Cleaner Concentrate

### Description

3M™ Neutral Cleaner Concentrate is a concentrated product to be diluted and dispensed with high-flow dispensing systems. This product is designed for use with Scotchgard™ Hard Floor Protection Products.

### Special Features

- Low foaming in high-flow applications
- Can be used with high-flow dispensing systems to fill auto-scrubbers
- Compatible with washable hard floor and floor finishes
- Clean, fresh scent
- Light yellow with green tint
- No rinsing is required, saving time and labor

### Applications

- Resilient floor surfaces, including marble, ceramic, terrazzo, vinyl composition tiles and finished wood
- Use with auto-scrubber
- Also use with a flat mop
- Also use with mop and bucket

### Packaging

- 55-gallon drum
- 2.5-gallon bottle

For best performance, this concentrate is intended to be diluted at a ratio of 1:391, or 0.3 oz of concentrate per gallon of water. When diluted 1:391, this 55-gallon drum will typically yield 21,505 gallons of ready-to-use solution; the 2.5-gallon bottle will typically yield 980 gallons.

### General Use Directions

Dispense 3M™ Neutral Cleaner Concentrate with cold water using a high-flow dispensing system, making it easy to fill auto-scrubbers to address large square footage area floor cleaning needs.

Note: Improper use or dilution may result in decreased product performance, and may increase the risk of health effects.

1. Sweep or dust mop floors.
2. Properly position caution signs for wet floor conditions.
3. Mop floor or scrub using an auto-scrubber or floor machine with a 3M Red Buffer Pad 5100.
4. Pick up soiled solution with a wet vacuum or tightly wrung mop.
5. No rinsing required.
6. Allow floor to dry. Note: Floors may be slippery when wet.

### Waste Disposal Method

Incinerate in an industrial or commercial facility in the presence of a combustible material. As a disposal alternative, dispose of waste product in a facility permitted to accept chemical waste. Rinse empty container with water and recycle.

#### NOTE:

Refer to product Safety Data Sheet for specific physical properties, health hazard, first aid and precautionary information.

- Concentrate SDS:20-1961-0
