- Kraftform Comfort screwdriver for cross-recess screws, Pozidriv
- Multi-component Kraftform handle for fast and ergonomic screwdriving
- Handle markings simplify finding and sorting of tools
- Hexagonal anti-roll feature against rolling away
- The Wera Black Point tip offers an exact fit and optimum corrosion protection

High quality Kraftform Comfort screwdriver with circular blade for Pozidriv\* screws. Multi-component Kraftform handle for fast and low-fatigue working. The Wera Black Point tip and a complex hardening process ensure a long service life of the tip, enhanced corrosion protection and an exact fit. The hexagonal anti-roll feature prevents any bothersome rolling away at the workplace. Handle markings for simplified finding and sorting of the tool.

\* Pozidriv = registered trademark of European Industrial Service Ltd.

**Kraftform Comfort Handle**

The ergonomic introduction to convenient screwdriving. Handle with Kraftform geometry and blade made from power bit material with Black Point tip for precise fit.

The multi-component Kraftform handle for quick and low-fatigue working.

**Identification marking**

The screw symbol and tip size identification markings on the handle make it easier to find the right screwdriver in the tool case, or at the workplace.

**Non-roll feature**

The hexagonal non-roll feature prevents any rolling away at the workplace.

**Longer product service life**

The bit material used for manufacturing is subjected to a specific Wera hardening process, and this ensures longer product service life.

**Wera Black Point tip**

The Wera Black Point tip and a refined hardening process ensure long service life of the tip, improved corrosion protection and an exact fit.
