- 7-piece set in compact, textile box with Wera 2go compatibility
- Take it easy tool finder: colour coding according to profile and size
- Lasertip tips for more secure fit in the screw head
- Multi-component Kraftform handle for fast and ergonomic screwdriving
- With Wera bottle opener

6-piece screwdriver set with Kraftform Plus handle for comfortable ergonomic screwdriving, which avoids blisters and calluses. Hard handle zones for high working speeds, while soft handle zones guarantee a high torque transfer. Includes some tools with Lasertip blades: The tip clings to the screw head and prevents it slipping out. Take it easy tool finder with colour coding and size stamping - for easy and fast location of the required tool. The anti-roll protection avoids bits from annoying rolling away in the workplace. Plus iconic Wera bottle opener.

Suitable for Wera 2go

Kraftform Screwdrivers Series 300

Suitable for docking with the Wera 2go system.

Lasertip prevents slipping out

It happens time and time again that the tip slips out of the screw head when screwdriving, sometimes damaging valuable surfaces or even causing injury. The tips of the Wera Lasertip screwdrivers are microscopically roughened by means of a laser. This rough surface literally "bites" itself firmly into the screw head. Slipping out becomes a thing of the past.

Lasertip

A precisely-focused laser creates a sharp-edged surface structure. Wera Lasertip "bites" itself into the screw head and prevents any slips out of the recess. It is available for screwdrivers for slotted, Phillips and Pozidriv screws.

Reduced contact pressure

Wera Lasertip reduces the contact pressure required and enhances force transfer - meaning less screwdriving effort is required. Screwdriving becomes safer and easier.

Prevents hand injuries

The outstanding design of the Kraftform handle that fits perfectly into the hand prevents hand injuries such as blisters and calluses.

Convenient

Plus iconic Wera bottle opener.

"Take it easy" Tool Finder

Screwdrivers with "Take it easy" tool finder: colour coding according to profile and size stamp.
