Dear Friend,

Invigilation of the Exhibition, Love Is The Meaning: 18 October to 16 November 2023

We're really looking forward to the upcoming, month-long exhibition of new art inspired by the 'shewings' of Julian of Norwich. All the details can be found here:

I'm writing to ask for your support in invigilating the exhibition in St. John's, Timberhill. The exhibition runs for a month, and we are looking for people to join with one other (two at a time) in volunteering to invigilate for a two-and-a-half hour slot either in the morning or afternoon.

We hope it will be fun, and it would give you an occasion to come and see the art. It's easy to sign up. Just go to the link below and choose a slot in the calendar. That's it.

If you have any questions, do please contact jenni.hancock@julianofnorwich.org and she will help you.

With very good wishes,

Rv Richard
