United We Stand Word Game

Instructions

In this game, we took Greek and Latin Prefixes, Suffixes and Root words and placed them in a deck with 52 cards. Each player receives 5 cards. (Can have up to 8 players). Player to the right of the dealer goes first. To start, the first player turns ONE card face up from the deck and lays on the table. The first player then draws ONE card from the deck and plays as many cards as possible on the word. Each card used in the word is worth 5 points. Players can add to the top of word and bottom of the word to make ONE word.

CARD: **form: to shape or form**
