ABOUT NFD

National Flooring Distributors is one of Australia's largest flooring import and distribution companies, servicing the commercial sector as well as over 1,000 retailers nationally.

Operating for over 30 years, NFD is an Australian owned and operated company with its head office based in Southeast Queensland. It employs additional representatives in every state in the country.

NFD sources top tier products from suppliers around the world including Belgium, China, South Korea and the USA. They specialise in flooring that suits a variety of applications, ranging from the family lounge room to retail franchises and right up to high-end multi-residential projects.

National Flooring Distributors is committed to environmentally friendly practices, initiating their Forever & Ever Floor Lifecycle Program as well as achieving Global Green Tag certification Level A. With extensive experience and expertise in the flooring industry, NFD offers peace of mind for any project.

Why choose NFD Luxury Vinyl Planks?

- Nature-inspired design in stunning colour palettes
- Durable and resilient flooring of the highest quality
- Compliant with acoustic, fire and slip ratings
- Global Green Tag certified at Level A
- Quick and easy installation
- Australian owned and operated company

Completion Date	October 2019
Commercial Sector	Health - Aged Care Facilities
Product	Soundless - Colorado

PROJECT BRIEF

Arkhefield Architects created a world-class community at Stockland Newport Retirement Living. Providing health and care services, as well as lifestyle luxuries for retirees, the community received a highly coveted 5 Green Star rating from the Green Building Council of Australia. The right flooring choice needed to be compliant with the 5-star Green Rating as well as meet the BCA requirements for Building Class 9a.

Working in conjunction with Hutchinsons Builders, NFD supplied over 5500m² of our Soundless Colorado Luxury Vinyl Planks. Our Soundless range was rated as 'Grade A' flooring by Global GreenTagCert™ and is also FloorScore Certified, making it suitable for the 5 Star Green Rating. With a P4 Slip Rating, the Soundless Colorado well and truly exceeded the BCA requirements for this project.

Soundless is the perfect solution for interior fit-outs as it is designed for extra heavy duty application and features our revolutionary acoustic backing. With 12 colours that authentically replicate natural timber species, combined with innovative technology our Soundless range is able to compliment any interior furnishings. NFD Soundless also forms part of our environmentally preferred Forever & Ever program, ensuring our products have the longest possible life cycle.

Head Office: 58 Blanck Street, Ormeau 4208
