50 Blackall Street, Barton

*Revolution - Beech*

Completion Date June 2019

Commercial Sector Education - Early Learning

*Arizona - Black on Black*

Products Revolution - Beech  
Arizona - Black on Black

## PROJECT BRIEF

With more than 150 centers across Australia, Affinity Education group have established themselves as one of the leaders in early child development through their commitment to 'Inspire Individuality.' The flooring for Affinity Education group had to meet strict BCA requirements but still balance aesthetic design with practicality and durability in all areas.

With its gentle and subtle blend of hand scraped surface to mimic natural wood, Revolution Beech creates a harmonic and natural vibe to complement the children's wooden tables and furnishing. The commercially graded vinyl flooring is durable and easy to maintain, with a P4 Slip rating, the resilient flooring is designed with Nano Silver Layer protecting against bacteria to provide that added peace of mind in this environment.

The infant sleeping area was transformed using NFD Arizona Black on Black Modula carpet tiles, with its stain resistant, anti-static and P5 anti-slip rating for compliance and dark colour tones to encourage day time sleep, make this modular tile an effective flooring solution.

# Beecroft Nursing Home Cafe

## SPECIFICATIONS

Location	Beecroft Nursing Home
Completion Date	January 2020
Commercial Sector	Health - Aged Care Facilities
Products	Loom+ Ombre - Coastland

*Loom+ Ombre - Coastland*

## PROJECT BRIEF

When Beecroft Nursing Home's cafeteria section required refurbishment, the experienced team from Newline Carpets set to work to bring this space to life. At a cosy 45m<sup>2</sup>, something visually striking was needed to accentuate the space, with style and grace, but that would also meet the discerning requirements of the aged care sector.

Proudly supplied by NFD, Newline Carpets laid Loom+ Ombre woven vinyl planks in a Coastland colour selection. This selection assisted in creating a neutral balance off the existing wall colours, giving the space a relaxing and inviting atmosphere. The woven vinyl planks feature clean cut finishes preventing the fraying of edges. These clean cut finishes allow for a mix and match of planks to develop a unique look within a room.

On top of its crisp appearance, the woven vinyl's consistent thickness and dimensional stability can stand up to the high traffic and wear that is natural to cafeterias, and the unique requirements of Beecroft Nursing Home. Further serving the cafeterias needs, the woven vinyl planks boasts P4 slip resistance, and prevent liquid absorption, allowing for easy clean-up and protection from stains and dirt.

# Fernwood Fitness

## SPECIFICATIONS

Location 420 Craigieburn Road, Craigieburn

*Illusions - Grey Gum*

Completion Date August 2019

Commercial Sector Health - Fitness

Products Illusions - Grey Gum  
Arizona - Black on Black

*Arizona - Black on Black*

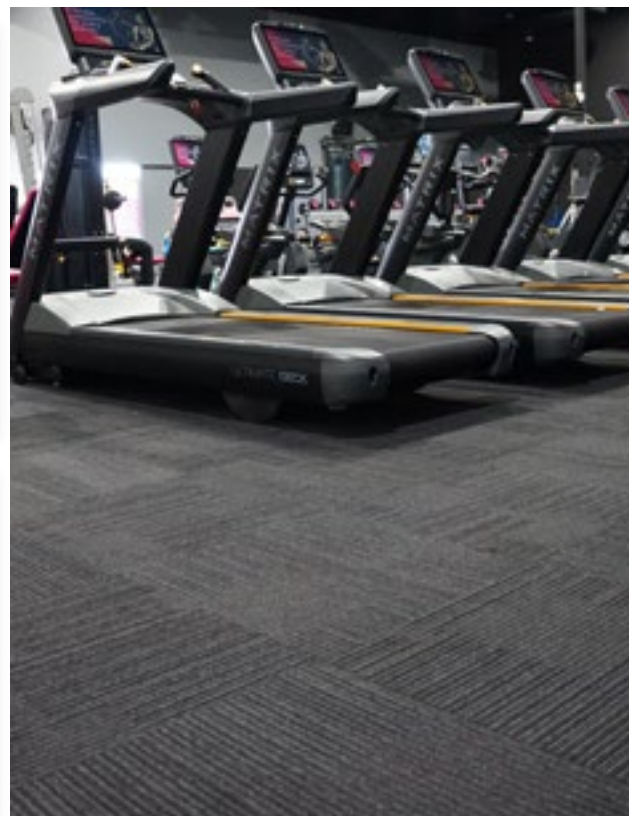

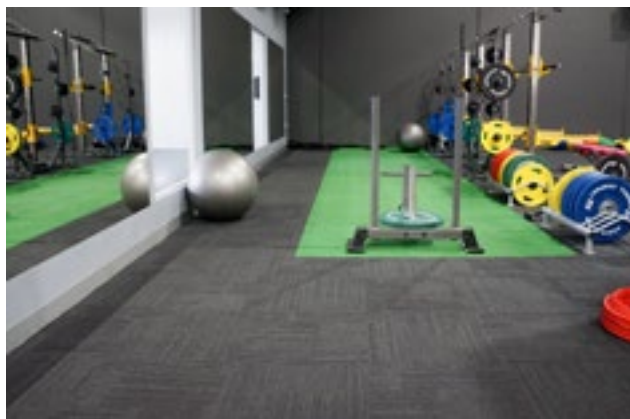

## PROJECT BRIEF

Fernwood fitness is a premium womens only gym, with group fitness classes, personal trainers and other health services to help achieve goals. With a surge of new members, Fernwood Fitness in Craigieburn wanted to renovate areas to the highest standards to ensure optimum performance in conjunction with gym equipment. The flooring choice needed to withstand the daily rigor of heavy equipment, while providing an attractive and calming environment for recovery.

With its soft tone and calming nature, Illusions Grey Gum luxury vinyl plank was installed in the rest and waiting rooms to harmonise the modern furnishing and art work. This resilient flooring is extremely durable with a unique anti-slip backing, waterproof and a commercially graded wear layer to resist many years of high foot traffic, whilst maintaining and adhering to the safety and hygiene standards.

Durability and impact absorption are key factors when choosing flooring for weight and multi-purpose areas from Zumba to boxing classes. Arizona Black on Black carpet tile was the preferred option, the carpet tiles unique high density construction protects from heavy load and sliding movements of fitness equipment, graded for commercial use, longevity is assured when choosing our Arizona Carpet tiles.

# Minchinbury Warehouse Office

## SPECIFICATIONS

Location Minchinbury NSW

Completion Date January 2020

Commercial Sector Corporate Office

Products Illusions - Natural Pearl  
Freeway - Shadow Grey

*Illusions - Natural Pearl*

*Freeway - Shadow Grey*

## PROJECT BRIEF

Led by the amazing team at Apex Building Systems to conceptualise a warehouse building that allows for maximum storage capability, the design also included a mezzanine floor over offices in the building to expand the storage capacity and make the use of space more efficient.

NFD were given the opportunity to specify 800m<sup>2</sup> of Freeway+ Shadow Grey carpet tile for the offices and staircases including commercial stair tread. The project also required an vinyl plank for the kitchen and tea rooms where Illusions was the preferred option due to its outstanding commercial properties and stunning high definition prints.

The office space features wide bay windows allowing for natural light, incorporating the pristine walls and the open planned settings, Freeway Shadow Grey carpet tiles were chosen to complement and balance the increased light level, creating a relaxing and modern office space.

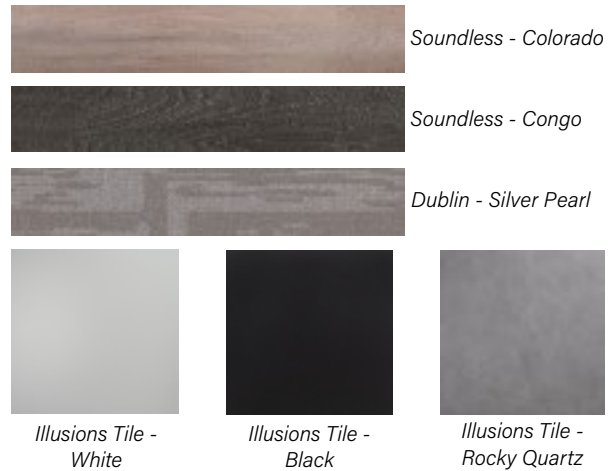

With a solid fiberglass reinforcement layer and a unique anti slip backing, NFD Illusions LVT has earned its reputation as one of our most popular and leading resilient flooring choices in the Australian market.

# QLD Police Service

## SPECIFICATIONS

Location	85 George Street, Brisbane, QLD
Completion Date	May 2019
Commercial Sector	Government/Emergency Services
Products	Illusions Tile – Black Wood Illusions Tile – Rocky Quartz Illusions Tile – White Soundless Acoustic Plank - Colorado Soundless Acoustic Plank - Congo Dublin: Silver Pearl

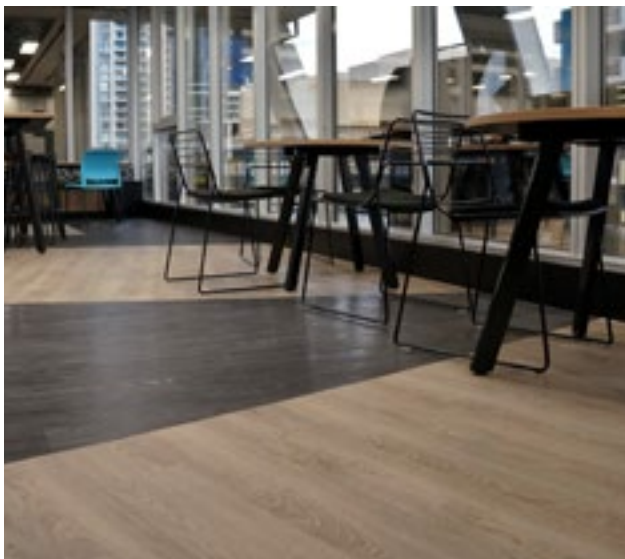

## PROJECT BRIEF

National Flooring Distributors was proud to work in conjunction with Nettletontribe Architects and Abri Projects to supply over 12,000m<sup>2</sup> of commercial carpet tile and resilient flooring for the new offices at 85 George St in Brisbane for the Queensland Police Service.

When NFD was appointed preferred supplier, we performed within a short lead time of six weeks to deliver all of the required flooring products. Strict BCA requirements including slip rating, critical heat flux, dimensional stability and the castor wear test had to be met. NFD provided certification that not only surpassed these requirements but exceeded industry standards.

The project also required that the vinyl plank reduce impact noise transfer. Our Soundless Acoustic Vinyl Plank range was the perfect solution, as it achieves a  $L_{n,w}$  of 61 on a 200mm slab with no false sealing and meets the BCA requirements of a  $L_{n,w}$  of 62 or less. In addition to this, Soundless is also a Level A Global GreenTag certified product.

We would like to congratulate Nettletontribe Architects and Abri Projects for delivering an exceptional quality project that ran seamlessly from beginning to completion.

# Stockland Newport Retirement Living

## SPECIFICATIONS

Location	Griffith and Boardman Road, Newport, QLD
Completion Date	October 2019
Commercial Sector	Health - Aged Care Facilities
Products	Soundless - Colorado

Soundless - Colorado

## PROJECT BRIEF

Arkhefield Architects have created a world-class community, from health and care services to lifestyle for retirees. Stockland Newport Retirement Living is a Green Star rated community, receiving a highly coveted 5 Green Star rating from the Green Building Council of Australia (GBCA). The right flooring choice needed to be compliant with the 5 Star Green Rating as well as meet the BCA requirements for Building Class 9a.

Working in conjunction with Hutchinsons Builders, NFD supplied over 5500m<sup>2</sup> of our Soundless Colorado Luxury Vinyl Planks. Our Soundless range was rated as 'Grade A' flooring by Global GreenTag<sup>Cert™</sup> and is also FloorScore Certified, making it suitable for the 5 Star Green Rating. With a P4 Slip Rating, the Soundless Colorado well and truly exceeded the BCA requirements for this project.

Soundless is the perfect solution for interior fit-outs as it is designed for extra heavy duty application and features our revolutionary "acoustic backing". With 12 colours that authentically replicate natural timber species, combined with innovative technology our Soundless range is able to compliment any interior furnishings. NFD 'Soundless' also forms part of our environmentally preferred "Forever & Ever" program, ensuring our products have the longest possible life cycle.

# The Club at Parkwood Village

## SPECIFICATIONS

Location	76-122 Napper Rd, Parkwood QLD	Herringbone - White Rustic Oak
Completion Date	November 2019	
Commercial Sector	Entertainment	
Products	Pure Hybrid Herringbone - White Rustic Oak	

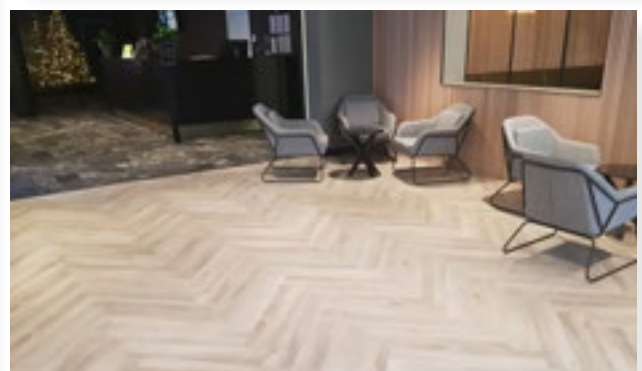

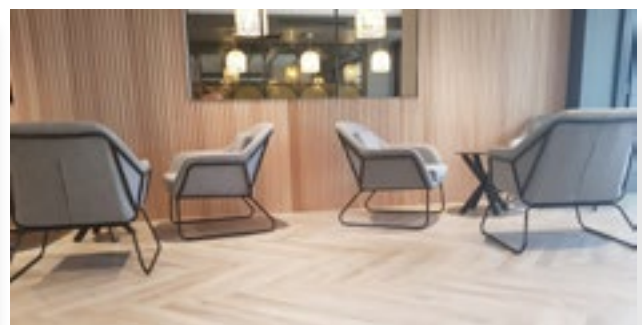

## PROJECT BRIEF

The Club at Parkwood Village has emerged as a destination of choice for locals and visitors to the Gold Coast, with the precinct providing a wide variety of versatile event space for functions along with an extensive range of dining, entertainment and golf options, designed to cater for all tastes and budgets.

This hospitality area hosts hundreds of guests a day, therefore a visual perception is an important factor when deciding on what type of flooring is most suitable for these areas. With the collaboration of Contract floorcoverings and Buchan Gold Coast Architects, NFD exclusive Herringbone White Rustic Oak Pure Hybrid collection was selected to make a statement in the entrance to the club.

Pure Hybrid Herringbone incorporates very distinct patterns and unprecedented designs, inspired by Australian wood species and oaks palettes, offering stunning appearance of natural wood but with the added benefits & durability of luxury hybrid flooring.

100% waterproof and an unmatched durability and stability, this flooring creates a dramatic visual backdrop to any room. NFD Hybrid range comes with a lifetime structural and wear warranty and offers an a 12 range colour palette to add beauty and style to your space.

# The Fortitude Music Hall

## SPECIFICATIONS

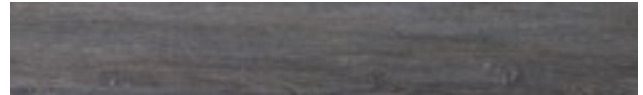

Location 312-318 Brunswick Street,  
Fortitude Valley, QLD

*Revolution - Stringy Bark*

Completion Date July 2019

Commercial Sector Entertainment - Music Hall

Products Revolution - Stringy Bark

## PROJECT BRIEF

The Fortitude Music Hall is the largest ballroom/theatre styled venue in Australia, with a 3,000 person standing capacity and a 1,100 seated capacity. The Music Hall were inspired by some of the world's most loved live music venues – from classic art deco theatres to larger clubs, while still paying homage to the iconic venues of Brisbane's past.

In conjunction with Carpet Contractor, National Flooring supplied 750m<sup>2</sup> of our Revolution P4 Stringybark to install in the main auditorium. The P4 slip rating and reinforcement layer for comfort, our Revolution P4 Stringy Bark is also waterproof and have been constructed to withstand wear and tear in high foot traffic areas without requiring much maintenance.

Offering a hand scraped surface to replicate the texture and look of real wood floor, when you run your hand over a hand-scraped floor, you will feel grains and indentations that mimic a natural wood floor, the knots and scraped texture bring the look and feel of real hardwood into each plank.

Installed in the main auditorium, the Revolution Stringy Bark hand scraped flooring brings the beauty of nature and, the natural texture gives a warm yet modern look to this iconic Music Hall.
