28	71.12
30	76.2

# HOW TO FIND YOUR SIZE

## AT HOME

Wrap a string around your neck, loosely or where you would like the necklace to sit.

Mark the string where it meets, ensuring it fits comfortably.

Use a ruler to measure the distance between the marks in centimetres.

Find the closest match using our size guide.

## ALREADY OWN A NECKLACE THAT FITS WELL?

Simply measure it end to end in centimetres and find the closest match using our size guide.

## COME SAY HI

Visit us or any other jewellery store to have your necklace size professionally measured.
