

Semi-Auto Stretch Wrapping Machine

Orbitwrap OR-3000

The OR-3000 is a semi-automatic Mechanical Friction Brake pallet wrapper, and is simple and easy to use. With three wrapping programs, each with adjustable features, it's perfect for companies looking for a no-fuss reliable pallet wrapping machine. This machine can dramatically increase efficiency and profitability through lower film cost per load compared to manual (hand) stretch wrapping.

Productivity
Eliminate labour intensive, inefficient manual hand wrapping

Reliability
Rugged steel construction for long-term reliability

Easy
Photocell eye for automatic height detection

Forklift relocation
Slots for easy machine transportation
