The price group specifies a letter preceding a number of fabric. In sofa beds a backrest is made of upholstery wigofil. Not all models are available striped, checked or in decorative sewing. Furniture offer all functions required for rest. Sizes, colors and appearance of furniture can change.

INSTRUCTION FOR SLEEPING FUNCTION

**JASPER** is very sensuous furniture which offers a huge sleeping area and storage for bedding. This is a great proposal for small flats. Its sophisticated line is based on solid construction, made of hardwood and furniture board. Used strip springs and bonell springs give an unforgettable impression of comfort and relaxation.

## Technical data:

- Seat – spring strip + spring bonell type;
- Backrest - spring strip + spring bonell type;
- Back and lumbar cushions – silicone/foam granules;
- Frame – solid wood & plywood;
- Storage unit for bedding – laminated white chipboard;
- Front legs – metal chrome or wooden legs according to the sampler (O, B, T, V, W);
- Back legs - black plastic;
