

MILTON

Synonym of elegance and functionality.
Milton collection gives comfortable furniture in
geometric shape but in cozy form and
adjustable headboards.

MILTON

Note: please pay attention to the dimensions of furniture, especially at 3,5-seat sofa-bed because sometimes there may be difficulties during bringing furniture into interior.

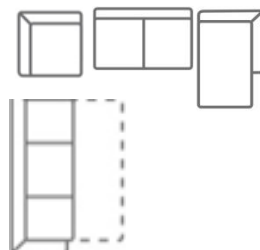

In such cases is possible to disassembly for example legs or headboards but only the sole responsibility persons who are doing disassembling.

MILTON

Sample of modules configuration:

Module 3-seat sofa bed + corner module + module 2-seat sofa + chaise longue module

Technical data:

- Model has adjustable all headboards (ratchet mechanism);
- Possibility to combine two colors of fabrics (furniture casing/seat/backrest);
- Is not possible to combine two colors of leather and leather with fabric;
- Is recommended to order all furniture sets at the same time due to the possibility of color differences in fabric or leather from different production batches;
- Wooden legs (beech) – color is based on sampler;
- Rack frame – solid beech wood and pine wood + particle board;
- Seat – wavy springs and forms based on bonel springs;
- Backrest – upholstery belts and forms made of elastic foam;
- Module sets are described from left to right side (standing on front and looking on it);
- Storage units are not included to sofa beds;
- Rear sides of furniture have aesthetic finish so they can stand in the middle of interior;
- Milton pouffes have the same height as the rest Milton furniture;
