WARNING

WALL ATTACHMENT

Serious or fatal crushing injuries can occur from furniture tipover. To prevent this furniture from tipping over it must be permanently fixed to the wall with the included wall attachment devices.

Fixing devices for the wall are not included since different wall materials require different types of fixing devices. Use fixing devices suitable for the walls in your home. For advice on suitable fixing systems, contact your local specialized dealer.

NO CLIMBING

Never allow a person to play or climb on the FTR vinyl storage.

SUNLIGHT

We recommend that you do not place the FTR vinyl storage in the sunlight or close to a heating system. The warmth can cause your vinyl to warp.
