WHAT MAKES US DIFFERENT

Our product is formulated only of natural plant materials used in Ayurvedic Medicine, the world's oldest holistic medicinal system. By targeting the root cause of hemorrhoids, Source:Earth heals the inflamed areas to reduce the pain, bleeding, and itching rather than simply suppressing symptoms. This formula has digestive, anti-inflammatory, antiseptic, anti-bacterial, anti-microbial, anti-parasitic, anti-viral, anti-oxidant, astringent and regenerative properties. It is also packed with fibers. Don't take our word for it - research each ingredient for yourself to find their extensive healing properties.

AYURVEDA

CONSIDERED BY MANY TO BE THE OLDEST HEALING SCIENCE, AYURVEDIC MEDICINE IS A HOLISTIC APPROACH DEVELOPED IN INDIA MORE THAN 3,000 YEARS AGO. AYURVEDA FOCUSES ON MAINTAINING HEALTH THROUGH PREVENTION AND BALANCE IN ALL ASPECTS OF ONE'S LIFE - BODY, MIND, AND SPIRIT. OFTEN CALLED THE "MOTHER OF ALL HEALING", THE PRACTICE EMPHASIZES THE USE OF NATURAL INGREDIENTS LIKE ROOTS, SEEDS, FRUITS, AND OTHER PLANT-BASED ELEMENTS TO TREAT THE CAUSE OF THE ISSUE RATHER THAN SIMPLY SUPPRESSING THE SYMPTOMS.

GINGER

Known to aid in digestion, pain reduction, inflammation, and even cardiovascular health, Ginger also contains Vitamin C and has antibacterial properties.

TERMINALIA CHEBULA

Also known as the “KING of herbal medicine”, Terminalia Chebula is considered a premier detoxifier in Ayurveda. Benefits include enhanced digestion, prevention of stomach ulcers, increased absorption of nutrients, and it is even recommended for acne, hair loss, and dandruff.

SENNA

Primarily used as a laxative to aid in constipation relief, Senna contains natural enzymes that restore gastric juice secretions in the stomach and has shown potential in reducing irritability in the intestines by improving overall digestion. It also contains strong antibacterial essential oils and tannins that help alleviate inflammation.

FENNEL SEEDS

A common ingredient in Ayurveda, Fennel Seeds have been used to regulate blood pressure, reduce water retention, treat IBS and bloating, reduce asthma symptoms, help purify blood, improve eyesight, and even balance hormones.

ROSE PETALS

Imported from France, organic Rose Petals serve to relieve pain and reduce inflammation. They are also mild laxatives as their decongestant antioxidant properties decrease digestive issues.

ANDROGRAPHIS PANICULATA

Known as the “King of Bitters” in Ayurveda, this plant has been used to treat stomach aches, inflammation, pyrexia, and fevers for centuries. It is also beneficial as a potent antimicrobial in treating common colds, gut disease, several types of cancer, arthritis, and cognitive issues.

DON'T TAKE IT FROM US...

I LIKE THE NATURAL INGREDIENTS SUCH AS FENNEL SEEDS, GINGER ETC IN THESE CAPSULES. KNOWING WHAT I AM TAKING, MADE IT THAT MUCH EASIER TO TRY IT OUT. I WAS A SKEPTIC, BECAUSE I AM NOT THAT FAMILIAR WITH AYURVEDIC SYSTEM. BUT BOY AM I GLAD I DID. I HAVE STACKS OF MAGAZINES IN MY BATHROOM. I NEED THEM TO SPEND TIME IN THERE, IF YOU KNOW WHAT I MEAN! AND NOW, I CAN'T EVEN FLIP THE COVER OPEN, I AM DONE WITH MY BUSINESS IN NO TIME. NO WAITING NO STRAINING. HEMORRHOIDS ARE COMPLETELY HEALED AND I HAVE MUCH MORE ENERGY THROUGHOUT THE DAY. THIS IS A GREAT DAILY OVERALL HEALTH SUPPLEMENT FOR ME.

D. GONZALES

I DON'T HAVE HEMORRHOIDS AS SUCH BUT MY RESEARCH ON NATURAL REMEDIES FOR DIGESTIVE AND COLON HEALTH BROUGHT ME HERE. THE INGREDIENTS PUT TOGETHER SEEMS TO WORK WONDERS FOR MY CONSTIPATION DUE TO MY "INTERMITTENT FASTING" DIET. SOME DAYS I TAKE 3 OR EVEN 4 CAPSULES AT NIGHT TO GIVE MY COLON A FRESH START ;) ...BUT REMEMBER TO DRINK LOTS OF WATER.

M. MEHTA

HEMORRHOIDS RELIEF BY SOURCE-EARTH IS THE BEST HERBAL MEDICINE IN MY OPINION. I HAVE COME TO APPRECIATE THE AYURVEDIC HERBAL MEDICINES. THIS ONE HAS NOT ONLY KEPT ME PAIN AND BLEEDING FREE FROM MY PERSISTENT HEMORRHOIDS, BUT HAS ALSO BROUGHT SO MUCH RELIEF FROM MY RHEUMATOID ARTHRITIS! THE AMAZING ANTI-INFLAMMATORY HERBS HAVE COMPLETELY HEALED MY HEMORRHOIDS AND I AM PAIN-FREE IN MORE THAN ONE WAY.

OUR STORY

TRIED AND TRUSTED FOR FOUR GENERATIONS!

Founded by Jolly Gandhi, the Source: Earth story actually goes back four generations. The formula for Source:Earth Hemorrhoids Relief was crafted with love and care by Jolly's great grandma. Throughout her five pregnancies, she suffered a great deal of pain due to hemorrhoids and even a family doctor could not help her get the long term relief from bleeding and discomfort.

Looking for a solution, she turned to Ayurveda practitioners hoping that the ancient healing system would provide relief where traditional medicine had fallen short. After years of trial and error, she finally reached the right formula combining powerful yet gentle ingredients that helped rid her of her pain, inflammation, and bleeding.

In the many years since, her formula has been used by men and women in her family as well as friends and neighbors who have continued to request the original formula.

Fast forward to the early 2000's, Jolly began experiencing severe pain during bathroom visits - even to the point of passing out. After talking to her mother, she began to look into her family's generations-old relief powder and sourcing the ingredients to make the remedy at home. Seeing firsthand the soothing effect of the powder, Jolly set out to share it with the world. She began by perfecting the recipe to be used as a daily supplement and packing the powder in vegetarian capsules at a GMP certified manufacturing facility in the United States.
