

Xclaim™

Twenty nine Xclaim™ fabric pop up display sizes and configurations are available.

Xclaim is a versatile stretch fabric pop up display system. Add dimension to your event or tradeshow with unique, exciting graphic styles. Xclaim is easy to setup, is lightweight and portable. The collapsible pop up frame is fully magnetic (with magnetic linking connectors), making it simple to assemble and disassemble. Stretch fabric graphics come pre-attached to the frame, making assembly easy and fast. Graphics adhere to the hubs using push-fit attachment technology. Kits come with graphics, frame and drawstring carry bag. Kits are available in 29 configurations.

features and benefits:

- Fabric pop up display system
- Collapsible frame uses magnetic locking arms to remain standing
- Pre-attached stretch fabric graphics make set-up fast & easy
- Push-fit graphic connection technology
- Select from 7 frame sizes and a variety of graphic styles
- Lifetime limited hardware warranty against manufacturer defects
- Comes in a zipper carry bag

SETUP:

Remove unit from bag and place on a flat, clean surface. Review the frame and notice where top hubs (with light clips) are located.

1

Pull the frame up and out from the corners until fully expanded.

2

With frame fully extended, magnetic locking arms will snap into place.

3

Unit is complete.

4

GRAPHIC APPLICATION:

To re-attach graphics, twist hub cap off and push silicone-edge into designated hub corner (noted on graphic style page).

5

Twist cap onto hub to cover silicone-edge.

6

*Graphics come pre-attached to the frame. To re-attach graphics to frame follow the graphics style specific to the unit purchased.

* Some kits may come with back graphics detached. Follow graphic application instructions to reapply. Before disassembly it is best to remove those rear only graphics before collapsing frame.

*See graphic templates for graphic sizes.

DISASSEMBLY:

With slight force pull apart frame to disengage magnetic locking arms.

1

Collapse frame and store in carry bag.

2

XClaim 1x3 Kit 04 Display Graphic Style

IMPORTANT: Take a moment to review your display to understand front and rear connection points on the graphic styles in this kit. Typical graphic connections are shown to the right.
