

Deck Yard Low Voltage Lighting 3W Integrated LED Path and Area Lights

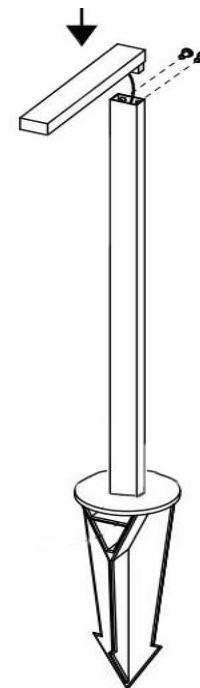

Product Description

Deck Yard 3W Philips path light are professional grade integrated LED fixtures perfect for pathway lighting application.

Constructed of high quality aluminum, the CDPA57 incorporates a built in driver and uses the body as a heat sink. The design allows the LED chips to run at a cooler temperature which equates to a longer life up to 60000 hours! Feature a tall stem and modern design, it is American style fixture and great for illuminating path and area lighting.

Specifications
