

snuggleme™

User Guide

KEY HIGHLIGHTS

Recommended for infants ages
0-9 months plus.

Machine washable. Made with
organic fabrics.

Designed and hand inspected
in the U.S.A.

*For supervised use only. Not a sleeping device. Do not place in cribs or bassinets.

A COZY SPACE FOR PLAY

The Snuggle Me is uniquely designed to hug your baby's body and create a cozy space for play. The Snuggle Me lounger is designed for actively engaging, playing, and bonding with your awake little one.

The Infant Lounger is not for sleep. Bassinets, cribs, and pack and plays are considered safe sleep spaces. Adding a Snuggle Me to these environments changes the safety of the sleep space, and creates an unsafe sleep environment.

SAFETY & USE

Proper Use

The Snuggle Me is designed for supervised use only. Always lay your Snuggle Me on a flat, firm surface (avoid laying on uneven blankets or cushioning). Always take baby out of the Snuggle Me before moving from room to room. Always stay in the room with your baby while using the Snuggle Me. Do not use on high surfaces.

Safe Sleep

Snuggle Me stands with the Safe Sleep Guidelines set down by the AAP and CPSC. The safest place for baby to sleep is in a crib with a tight fitted sheet without bumpers, additional bedding, or toys. Do not use the Snuggle Me overnight or unsupervised under any circumstances.

WARNING

Sizing

The Snuggle Me Infant Lounger is meant for babies newborn plus. Baby should be placed within the sling with feet draped over the bottom edge of the lounger. See next page for information on transitioning to our Toddler lounger.

TODDLER TRANSITION

Wondering if it's time to transition to our Toddler size?

Use the checklist to see if they meet the safety requirements.

- Baby is at least 9 months**
- Baby is crawling**
- Baby is 21" from top of head to base of bum**

****Baby must check all three boxes before making the transition. Remember only measure to the base of the bum when checking the length requirement of 21".**

WASH & CARE

Machine wash on a cold gentle cycle with gentle dye free detergents.

Do not pour detergent directly on the lounger.

Wash by itself, and disable top loaders with agitators.

Air dry on a flat surface until damp, then tumble dry on low.

Our Story

At Snuggle Me our mission is to create minimal and modern baby products that you and your baby will adore.

Our passionate team in White Bear Lake, Minnesota makes sure that every Snuggle Me is made with love, attention, and care before being shipped to families all over the world.

All of our Snuggle Me products are beautiful, premium, and long-lasting, designed to support moms and dads on their exciting journeys into parenthood.

We are grateful to be a part of the parenting journey for millions of families.
