The screenshot shows the Card International website homepage. At the top, there is a navigation bar with the 'CARDI' logo and various menu items. Below the navigation bar is a large hero banner featuring a couple in formal attire and a 'SLIM FIT & MODERN FIT STYLES' promotion with a 'VIEW COLLECTION' button. The main content area includes a 'WELCOME TO CARDI' section with a brief introduction and a 'WELCOME KIT' offer. Below this is a 'NEW PRODUCTS' section with five featured items: Card-i-Link, Classic Black Solid Satin Tuxedo Vest, Edge 2-Button Smooth Tuxedo by Card-i, Legacy 2-Button Smooth West Tuxedo by Card-i, and Golden Satin Tuxedo Stone The and Contemporary. At the bottom, there is a 'PARTNER WITH CARDI' section with a 'JOIN OUR TEAM' button, and a 'LATEST POSTS' section with three articles: 'Why Go To Prom?', 'Formal Wear Trends for 2015', and 'The Keys to a Successful Wedding'.

CARDI Super 150s

CARDI has developed their own special fabric which is now being implemented by thousands of formalwear store owners across the country. With leaping advances in weaving technology over the last couple years, there is no longer a need to rely on standard Burlington wool fabrics or even overpriced Super 100's or Super 120's wool fabrics.

Super 150's Luxury Viscose Blend fabrics feel better than wool, hold up better than most higher grade wools, and are more cost effective than their wool counterparts.

"CARDI tuxedos are my best renters in my store!"
- John D., Hollywood Tuxedos

"It is a pleasure to deal with people who are truly excited and believe in what they are doing. Your product availability, quality and price continue to impress. Keep up the good work!"
- Frank R., Rudi's Formal Wear

"I have been booking wedding party after wedding party in these new CARDI tuxedos. Thanks again!"
- Anthony G.
Gallelli Formal Wear

"I don't even feel like I have to 'sell' my customers on CARDI tuxedos. Customers feel the CARDI fabric, see the upgraded features, compare it with other styles in my showroom, and then make the easy (and best) decision on their own."
- Christine C., An Elegant Affair

Vitale Barberis Canonico

Vitale Barberis Canonico is proud to present the work of those who, far from fashion catwalks and designer shows, dedicate their lives to the production of the most prized wools in the world. Their success is a reflection of their undeniable passion and skill. The quality of our final products cannot help but be founded on a search for excellence up and down the supply chain.

2013 marked the 350th anniversary of the company's wool mill activities, permitting it to become a member of Les Hénokiens, an international association that brings together family-run companies that have been active for at least two centuries.

Vitale Barberis Canonico continues to remain true to its origins and, by creatively renewing itself over time, never stops drawing inspiration from its historical archive, a distillation of excellence that inspires the company's present and future.

"My customers are definitely becoming more educated when it comes to both fabric and fit. Cardì introducing a premium Italian wool fabric is exactly what our store needed. Also, the updated Modern Fit and Slim Fit models allow us to service a full range of customer requests."

Solid Satin

Vest & Tie Collection

- Luxurious satin fabric in 71 popular colors
- 5-button front enclosure
- Faux besom pockets
- No lapels
- Full back design
- **Simple, yet elegant**, the Solid Satin Collection is crafted in vibrant colors which saturate the smooth and silky satin fabric. You will be enticed by its luxuriousness and unique luster found only in this uniquely tailored solid satin vest.

The CARDI Premiere Solid Satin Vest Collection keeps the integrity of its quality by selecting a thicker, better satin compared to other satin vests available for rental. Have you ever felt a satin vest that was thin and cheap? There are different grades of satin fabric and different grades of fusing; low grades will wrinkle very easily and it can be embarrassing to wear to a formal event.

Mix & match Solid Satin Collection with:

Attachment styles do vary...

Leather ends and woven ends for button style attachments for trousers which have buttons for attaching the tabs, either on the outside (traditionally) or on the inside of the waistband, which does not have belt loops.

Clip-On styles are perfect for any trouser or pant that has no buttons, even jeans!

Did you know?

Leather attachment strips are sometimes called moustaches.
