Order Code: BCC02HE

BALLUFF

Basic features		Material	
Approval/Conformity	cURus WEEE	Conductor insulation material	PVC PP TPE
Electrical connection		Housing material	PA Zinc, Die casting
Cable diameter D Connection	2.55.4 mm M8x1-Male, straight, 3-pin, A- coded	Material contact carrier Material contacts	PA Copper alloy
Number of connectable contacts System	3 Can be fabricated	Material cover nut Material grip	Brass nickel-plated Plastic
Electrical data		Mechanical data	
Operating voltage Ub Rated current (40 °C)	32 VDC / 32 VAC 4.0 A	Conductor diameter min. Connection cross-section Connection cycles min.	1 mm 0.140.34 mm² 100
Environmental conditions		Core diameter max.	1.60 mm
Ambient temperature IP rating	-4085 °C IP67	Tightening torque pigtail Type of wire mounting	0.4 Nm IDC
Remarks			

Subject to change without notice: 151503

Enclosure rating per IEC 60529, only in screwed state with the associated mating piece.

Field-Attachable Connectors
BKS-S113-RT13
Order Code: BCC02HE
