

Ultimate Detox & Cleanse™

Works on four different levels at once:

- **Intestinal tract** and **colon** cleansing support
- Support for **blood** and **body detoxification** systems
- Support for **liver** cleansing
- Support for **fat metabolism** (contains support for fat burning and energy processes and guggul gum for intestinal tract support)

Liver Wellness™ (Liver)

- Liver is central to detoxification of body systems
- Toxins and free radicals must be de-activated
- Fat is metabolized in the liver and mixed with bile for digestion and elimination

Thiamin – converted to its active form in the Liver. Also a carbohydrate metabolizer.

Nicotinic Acid (niacin) – for fat and cholesterol metabolism.

Pantothenic Acid – required for the metabolism of fats and proteins (70 enzymes need either pantothenic acid or Coenzyme A).

Lecithin – emulsification of fat and provides phospholipids for incorporation into cell membranes.

Choline and **Inositol** – metabolism of fat and cholesterol.

Threonine – lipotropic (helps the liver to metabolize fat).

Vitamin A and **Vitamin E** – both act as antioxidants.

Milk Thistle – supports and stimulates regenerative ability of liver.

B12 – also stored in the liver.

Fiber & More™ (Intestinal Tract)

Fiber helps to inactivate toxins in the intestinal tract and increases peristaltic action of the intestinal tract.

Apple Pectin and **Okra Leaf** – soluble fiber.

Rice Bran, Flax Seed, Psyllium Seed Husk – soluble and insoluble fibers

Butternut Root Bark, Marshmallow Root – insoluble fibers

Serving Size: Three (3) Packets Daily Servings Per Container: 14				
Amount Per Serving	liver wellness™	blood detoxification factors™	fat metabolism factors™	fiber & more™
	% Daily Value	% Daily Value	% Daily Value	% Daily Value
Dietary Fiber				1.34 g 5%*
Vitamin A (as Beta Carotene)	450 mcg 50%			
Vitamin E (as d-alpha Tocopheryl Succinate)	100 mg 667%			Herbal ingredients can be found in the proprietary blend.
Thiamin (as Thiamin Hydrochloride)	30 mg 2500%			
Niacin (as Nicotinic Acid)	30 mg 188%			
Vitamin B6 (as Pyridoxine Hydrochloride)			100 mg 5882%	
Vitamin B12 (as Cyanocobalamin)	300 mcg 12,500%			
Pantothenic Acid (as d-Calcium Pantothenate)	30 mg 600%			
Choline (as Choline Bitartrate)	200 mg 36%		200 mg 36%	
Iron (as Iron Amino Acid Chelate†)		2 mg 11%		
Iodine (from Kelp)			225 mcg 150%	
Zinc (as Zinc Monomethionine**)		9 mg 82%		
Manganese (as Manganese Amino Acid Chelate)		6 mg 261%		
Chromium (as Chromium Polynicotinate**)			200 mcg 571%	
Molybdenum (as Molybdenum Amino Acid Chelate†)		600 mcg 1333%		
Potassium (as Potassium Amino Acid Chelate)			99 mg 2%	
liver wellness™	blood detoxification factors™	fat metabolism factors™	fiber & more™	
Proprietary Blend 1.72 g (1715 mg) ** Dandelion Root (<i>Taraxacum officinale</i>), Lecithin (from Sunflower), Inositol, Milk Thistle Seed Extract (<i>Silybum marianum</i>) (80% Silymarin), L-Threonine and Butternut Root Bark†† (<i>Juglans cinerea</i>)	Proprietary Blend 1.8 g (1800 mg) ** <i>Echinacea angustifolia</i> Root, Red Clover Flower (<i>Trifolium pratense</i>) and Dandelion Root (<i>Taraxacum officinale</i>)	Proprietary Blend 1 g (1000 mg) ** Lecithin (from Sunflower), Inositol, Guggul Gum**** (from <i>Commiphora mukul</i>) (2.5% Guggulsterones) and L-Phenylalanine	Proprietary Blend 2.05 g (2048 mg) ** Rice Bran (<i>Oryza sativa</i>), Flax Seed (<i>Linum usitatissimum</i>), Psyllium Seed Husk (<i>Plantago psyllium</i>), Apple Fruit, Garlic Clove Extract (<i>Allium sativum</i>), Pumpkin Seed (<i>Cucurbita pepo</i>), Butternut Root Bark†† (<i>Juglans cinerea</i>), Dandelion Root (<i>Taraxacum officinale</i>), Marshmallow Root (<i>Althea officinalis</i>) and Okra Leaf (<i>Abelmoschus esculentus</i>)	

*Percent Daily Values are based on a 2,000 calorie diet. **Daily Value not established.

OTHER INGREDIENTS: Dicalcium Phosphate, Microcrystalline Cellulose, Stearic Acid, Modified Cellulose Gum, Vegetable Magnesium Stearate, Silicon Dioxide and Clear Coating (Hydroxypropyl Methylcellulose).

†Contains soy.

††Contains tree nut.

CAUTION: Contains phenylalanine and should be avoided by phenylketonurics and women who are pregnant or lactating.

Ultimate Detox & Cleanse™ (con't)

Fat Metabolism Factors™

Choline and **Inositol** – both are lipotropics.

Lecithin – emulsifies fat.

Iodine, Sea Wrack and **Chromium** – energy support.

Phenylalanine – stimulates the production of Cholecystokinin (CCK) which triggers being satiated.

Blood Detoxification Factors™ (Blood & Body Systems)

Iron, zinc, manganese and **molybdenum** – needed for detoxification enzymes.

Echinacea – Well known for detoxification properties.

(Packet not shown actual size)

Recovery Zymes™

What do proteolytic enzymes do?

Proteolytic enzymes circulate throughout the body, supporting tissues and organs by digesting proteins left over from healing processes, such as immune system action.

This formula, with 10X pancreatin, is the highest enteric coated pancreatic enzyme product on the market: A potent yet economical systemic enzyme support program.

SUPPORTS:

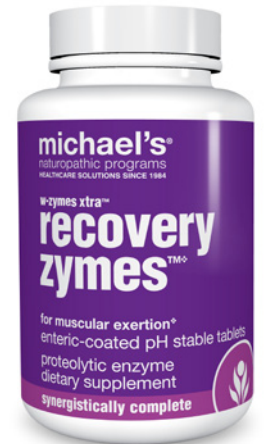

- The pancreas
- Recovery from muscular exertion due to exercise or strenuous activity
- Venous and arterial blood circulation
- An increased need for enzymes due to aging

Enteric-coated to pass through the stomach for successful absorption into bloodstream, not breaking down and being destroyed by stomach acid.

Gently buffered for added pH protection – Calcium keeps enzymes slightly alkaline for protection against their breakdown.

Papain – from Papaya and **Bromelain**, from Pineapple for added proteolytic enzymatic support, protein digestion.

Rutin – a flavonoid with antioxidant activity for support of tissues.

Serving Size: Three (3) Tablets

Amount Per Serving	% Daily Value
Pancreatin (10X USP**)	300 mg *
Protease	75,000 USP** units per serving
Amylase	75,000 USP** units per serving
Lipase	6,000 USP** units per serving
Papain (360,000 USP** units per serving)	180 mg *
Anise Fruit (<i>Pimpinella anisum</i>)	150 mg *
Fennel Seed (<i>Foeniculum vulgare</i>)	150 mg *
Rutin	150 mg *
Bromelain (from Pineapple) (2400 GDU*** / gm)	135 mg *
Trypsin (75 USP** units/mg)	75 mg *
L-Chymotrypsin (75 USP** units/mg)	3 mg *

*Daily Value not established.

OTHER INGREDIENTS: Dicalcium Phosphate, Stearic Acid, Modified Cellulose Gum, Vegetable Magnesium Stearate, Clear Coating (Hydroxypropyl Methylcellulose) and Enteric Coating.

**United States Pharmacopeia units of enzyme activity

***Gelatin Decomposition Units

Quick Immune Response™

Michael created this formula for his children when they were young.

As the name implies, this formula is designed to provide immediate immune system support.

A simple, but powerful combination of only seven components in very meaningful amounts:

- **Vitamin A**, (beta carotene), along with **Vitamin C**, and **Zinc**, are fundamental nutrients for different aspects of the immune system, such as:
 - ♦ the production of antibodies
 - ♦ tissue growth and enzyme activity
- **Pantothenic Acid** supports adrenal glands and helps in the conversion of beta carotene to Vitamin A.
- **Garlic & Goldenseal** – traditional herbs
- **Echinacea** for its support of white blood cell production and in immune system modulation.

Supplement Facts

Serving Size: Three (3) Tablets

Amount Per Serving	% Daily Value	
Vitamin A (as Beta Carotene)	9000 mcg	1000%
Vitamin C (as Calcium Ascorbate)	750 mg	833%
Pantothenic Acid (as d-Calcium Pantothenate)	45 mg	900%
Calcium (as Calcium Ascorbate)	91 mg	7%
Zinc (as Zinc Monomethionine**)	21 mg	191%
Proprietary Blend	1.8 g (1800 mg)	*
Echinacea Root (<i>Echinacea purpurea</i>), Garlic Root Bulb (<i>Allium sativum</i>) and Oregon Grape Root (<i>Mahonia aquifolium</i>)		

*Daily Value not established.

OTHER INGREDIENTS: Dicalcium Phosphate, Microcrystalline Cellulose, Stearic Acid, Modified Cellulose Gum, Vegetable Magnesium Stearate, Silicon Dioxide and Clear Coating (Hydroxypropyl Methylcellulose).
