Bench scales

9055/9056/9057

▸ Extra-slim, ergonomic stainless steel platform
▸ Separate display unit – the weighed goods do not blind the display
▸ Quick and easy 1-button operation
▸ Battery operation allows flexible application in different places
▸ Large LCD display, digit height: 20 mm

MADE IN GERMANY

Features

▸ Extra-slim, ergonomic stainless steel platform; only a slight effort required to lift the goods onto the platform

▸ Separate display unit – the weighed goods do not blind the display

▸ High-resolution single-range scales, not approvable

▸ Quick and easy 1-button operation with extra-large button

▸ Battery operation allows flexible application in different places

▸ Energy-efficient with integrated Auto Off battery function and timer programmable from 1 to 30 minutes or continuous operation

▸ Internal user calibration for location based adjustment

▸ Switchable units between kg and lb

▸ Weighing functions: weighing, taring, adding, plus/minus weighing, hold function

▸ Includes wall bracket

▸ Large LCD display, digit height: 20 mm, not approvable

▸ Weighing platform: Stainless steel 1.4301, substructure: Painted or galvanized steel sheet

▸ Integrated battery with power supply 100–240 V / 50–60 Hz, operating time: 50 h, charging time: 5.5 h, UK plug adapter

▸ Protection Class IP 42

▸ Nominal operating temperature: -10°C to 40°C
