

Eden Sconce

Bold geometry meets timeless craftsmanship in the Eden Sconce. Made from cast brass, this hexagonal wall fixture adds sculptural depth and warm ambient light to any space. The soft matte white globe creates a diffused, modern glow while the brass base develops a rich patina over time — a natural mark of its heirloom quality.

Perfect for flanking a mirror, accenting a hallway, or anchoring an art wall, Eden balances function and form in equal measure.

Made in Fredericksburg, Texas.
