

Elevate your printing capabilities with the all-new **LogoJET Inspira Series UVx45i**. Building on the foundation of our award-winning UVx40R PLUS-SE, the most efficient tabletop model in the LogoJET SE-series lineup, the UVx45i takes productivity to new levels. Featuring advanced print technology, enhanced durability, and faster print speeds, this cutting-edge model is designed to maximize efficiency and streamline your production process. With its compact design and robust performance, the UVx45i is the ultimate solution for businesses looking to enhance their printing operations.

Additionally, we are excited to announce the release of LogoJET's latest Inspira Series, scheduled for launch in September 2024 at Printing United. This new series is now available to Crown Trophy members before the release and is completely packaged with all the accessories to get started.
