

# Single Cooler & Side Table Assembly

## Parts included:

Cooler Body

Cooler Lid

Cooler Legs

Top Shelf

Bottom Shelf

## Step One

Place top shelf / side table on the cooler body. (The side with hinges goes on top of the cooler). Screw top into place (four screws on front, four on back, and three on the side).

## Step Two

Placing the cooler on it's side, attach the back three legs to the top shelf and bottom shelf. After the back three legs are attached flip the cooler over and attach the front three legs. Each leg is labeled to correspond with their specific spot on the cooler.

## Step Three

After all six legs are attached flip the cooler onto it's wheels and attach the lid. Unscrew the screws from the back of the lid and re-screw them attaching the hinges to the cooler lid.
