Installation.

The safety of this fitting can only be guaranteed if these instructions are observed, during both installation and use. Please retain these instructions safety.

When installing and whenever acting on the appliance, ensure that the power supply has been switched off.

The rattan shades are designed to be installed as shades in front of a standard lampholder.

Two rings are provided on the rear of the shade.

Hang the shade using both rings at a level.

Cleaning.

Use only a soft cloth to clean the shade, dampened with water and soap or mild cleanser if needed for resistant dirt.

Warning: do not use alcohol or other solvents.
