## SMALL PLASTER CONE HANGING LIGHT BY ROSE UNIACKE

RU EDITIONS

Each pendant is entirely handmade in a British craft workshop. They are made from a mixture of fibre glass powder and plaster, which is then laminated into a mould, left to dry, and trimmed. Lastly wet plaster is then applied by hand, creating an outer featured texture, which is then finished in a snow-white water-based paint. An aluminium wheel is attached to the top of the shade to allow for the electrical assembly.
