EMBLM

FINE JEWELRY

Founded in 2019 by Emily Landers-Sorensen and Mariko Enkoji-Busch, EMBLM was born out of a desire to create timeless, distinctive fine jewelry that can become treasured heirlooms with a personal significance to the individual wearer. With a commitment to ethical practices, each piece is made-to-order in downtown Los Angeles by a gifted team of artisans.

EMBLM is dedicated to giving back – honoring the planet and all of its inhabitants. In addition to donating a portion of profits from their own designs, EMBLM has established an Artist Partnership Collective – designed to promote creative collaboration between EMBLM and other artists they admire, with a shared goal of giving back.

Collections

SPUR COLLECTION

Inspired by the beauty of the object and the essence of the word, the Spur Collection was born out West - where the sun meets the sea. This collection of best-sellers continues to stand out wherever EMBLM is sold.

NUMERAL COLLECTION

Cosmos Necklace | Compass Necklace | Ennead Necklace | Star Necklace

The Numeral Collection is inspired by numbers and the way in which we interpret them in the world. Each design reflects the historical significance of certain numbers across different cultures - ideas that have existed since the beginning of time.

CLIMATE COLLECTION

Ice Cap Ring | Nugget Ring | Erosion Ring

The Climate Collection was created as a homage to the wonders of our natural world, many of which are now endangered. With each sale of a Climate Collection piece, a portion of the proceeds will be donated to The National Park Foundation, the official nonprofit partner of the National Park Service that works to protect and preserve America's national parks.

SHORTHAND COLLECTION

“Ablaze” Tablet Pendant | “Love” Tablet Pendant | Tablet Pendant | “Justice” Pendant

The Shorthand Collection was inspired by Mariko's paternal grandmother, Joleen, who mastered the art of shorthand while working as a secretary in the late 1940's. Enthralled by the beauty of these forgotten symbols and the women who wrote them, we felt they deserved their own collection.

Giving Back
