Play Ball!

PTS

PERFORMANCE TEAM SERIES

DESIGNED FOR PLAYERS, BY PLAYERS

The values that are fundamental to the sport of baseball represent some of the best things in life: play, teamwork, sportsmanship, competition, and family. And don't forget summer afternoons, hot dogs, and an ice-cold drink.

For over 50 years, baseball has been the foundation of our brand. It's where we started and where we're most authentic. We live these values daily – as a business, as teammates, and for the customers and players we serve.

Wear the Best isn't just a tagline – it's a promise.

As we emerge from an incredibly challenging time, we believe that baseball can provide a renewed sense of joy and excitement. We see this as an opportunity to shift our point of view on the game, grounded in authenticity and the values that brought us to this moment, but with the volume turned up on ***play***.

2023 represents a new chapter in Richardson's ongoing commitment to baseball and the games we play. We're excited to take this journey with you. Thank you for your partnership and support.

PERFORMANCE TEAM SERIES

HEADWEAR

Making products that athletes count on requires insight from players at all levels of the game, and from these insights our Performance Team Series line was born. Each PTS fabric has a unique look and feel, ranging from modern woven-stretch to the traditional wool look of poly-serge. Since 1970, and for as long as the game of baseball is played, Richardson will be there to celebrate it.
