

**CRYSTAL HOROSCOPE
FOR MARCH**

ARIES

Aries, this month is all about catching up on your beauty sleep. The peaceful water sign is passing through your house of subconscious, and it's here to remind you that even the most passionate and ambitious people need to rest, too. This is a time for rest and relaxation. Instead of taking on the world a million miles per hour, consider giving yourself a moment of solitude to reflect. Also to chill out for the next several weeks.

ARIES'S LUCKY CRYSTAL

Labradorite enhances the strength of your will and your inner worth.

TAURUS

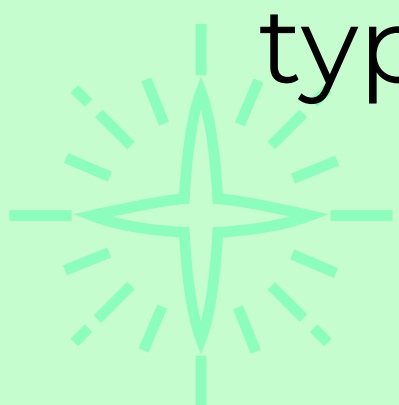

This month is firing up your social life, Taurus, so it's a good idea to shift focus on your friendships. Since Pisces can cause things to get a little hazy, it's a good time to reflect on your connections and decide whether those you surround yourself with are serving your highest self. You are finding your squad. This means that you were taking stock of the people that are the most important to you and have proven through loyalty. Those who haven't will be tossed to the side.

TAURUS'S LUCKY CRYSTAL

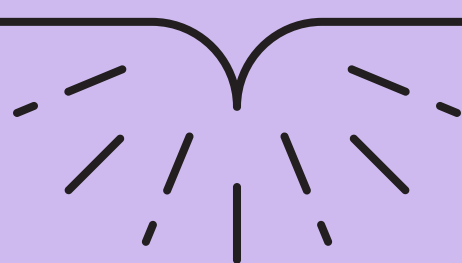

Green Opal assists you in strengthening all types of relationships; romantic, friends, family and business.

GEMINI

You're feeling seen right now, Gemini. That's because the most public part of your chart, your house of public image is being spotlighted during this month. It's a good time to check in with your professional life and what direction you're headed. What do you want to be remembered by? Your role at work is changing this month. This means that you will be given new opportunities and plenty of time to shine. Embrace all of the magical possibilities that are coming your way and broadening your career.

GEMINI'S LUCKY CRYSTAL

Amethyst helps you to develop an ability to think more clearly in decision making. It increases intelligence and initiates greater understanding.

CANCER

Cancer, this month is pushing you out of your comfort zone and inspiring you to pursue bigger and better things. You may be seeing things differently that may entirely contradict your own views, but it's still a good idea to remain objective and avoid letting the cloudy Pisces energy mislead you. Take a step back and look at life through a different one. You may find that having a broader perspective will give you the inside you need to make all of the necessary changes and see you evolve with the times.

CANCER'S LUCKY CRYSTAL

Malachite encourages you to take risks and change, breaks unwanted ties and outworn patterns, and teaches how to take responsibility for your actions, thoughts and feelings.

LEO

This month is all about defining your needs and wants, Leo. Your eighth house of transformation will be in the spotlight, and it's a reminder to let things go that aren't serving you. It's a good time to ask yourself: what are you ready to release this season? It's important to implement boundaries in relationships over the next several weeks. Setting limits with those who care about will ensure that no one takes advantage of you, or vice versa, in the future.

LEO'S LUCKY CRYSTAL

Obsidian gives you all the courage you need to explore the unknown, embrace who you truly are, and to dissolve old traumas and stop holding onto all that which is no longer serving you.

[SHOP OBSIDIAN](#)

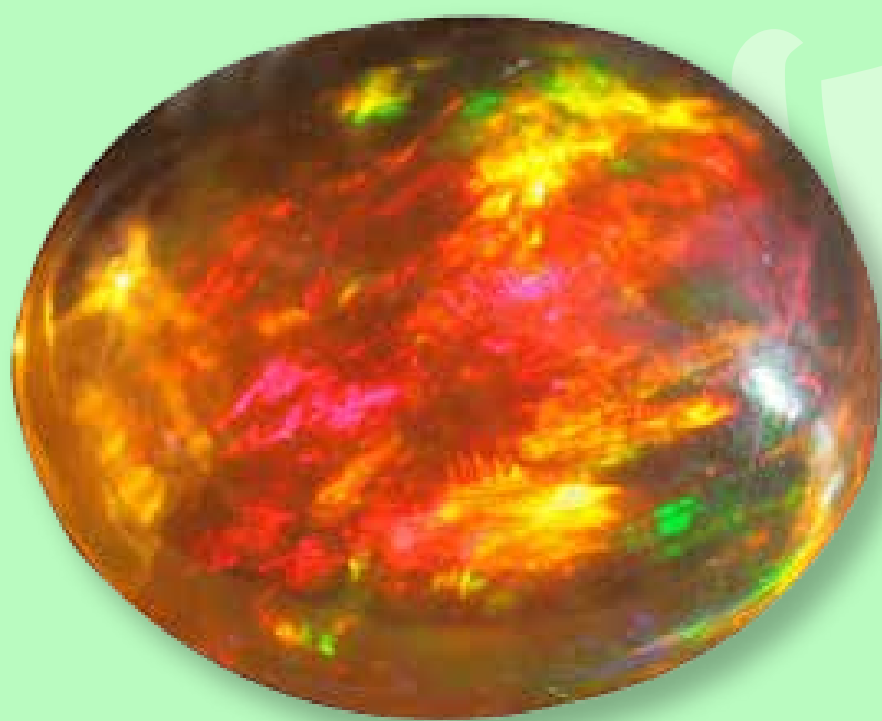

VIRGO

This month is all about partnerships, Virgo, so it's a great time to open yourself up to the possibility of love. Take time to really address your needs when it comes to a sustainable relationship from the inside out through journaling and inner reflection. Your love life is blossoming at the moment, allowing you to define relationships. You may want to open up your heart to your special someone.

VIRGO'S LUCKY CRYSTAL

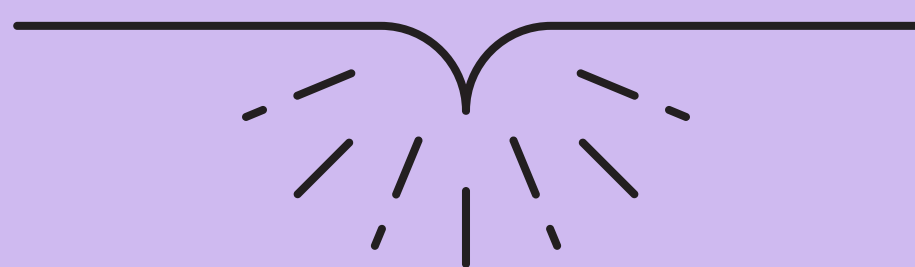

Fire Opal encourages you to have a positive and healthy relationship.

[SHOP FIRE OPAL](#)

LIBRA

This month is a great time to slow down and be gentle with yourself, Libra. Dreamy Pisces gives you the green light to romanticize your daily rituals — so don't be afraid to implement candlelight baths and other romantic habits in your day-to-day. The focus over the next several weeks is your daily routine. Be sure to get your steps in while you're working and stretch your muscles out during breaks to ensure that you do not have physical, mental, or emotional burnout.

LIBRA'S LUCKY CRYSTAL

Jade brings harmony and tranquility in your life. It soothes your mind and releases negative thoughts.

SAGITTARIUS

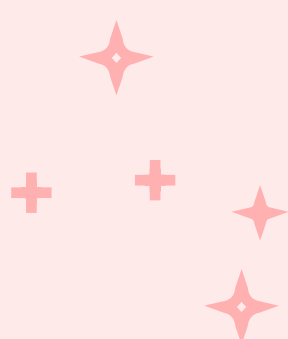

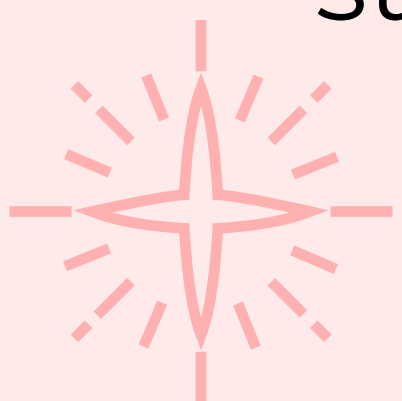

Spring cleaning came a little early, Sagittarius. This month is all about reworking your home and making your space so that it captures your eclectic and adventurous vibe, so it's OK to splurge on that new bookshelf you've been eyeing. It's time to spruce up your apartments or house. Before you commit to painting the walls a different color, try adding some minor embellishments to your dwelling. You may find that minor adjustments like different colored pillows really change the energy in your space.

SAGITTARIUS'S LUCKY CRYSTAL

Jasper helps you to find balance and stability, which is much needed when trying to maintain your emotional health.

CAPRICORN

Capricorn, you may feel like you're fighting to be understood, especially since Pisces is often vague, while you're all about pragmatism. Think before speaking and reflect on your responses — listening is communication, too. Make sure that you were being concise and direct with others. The reason being is because of that may be lost in translation, which can create confusion in the long run.

CAPRICORN'S LUCKY CRYSTAL

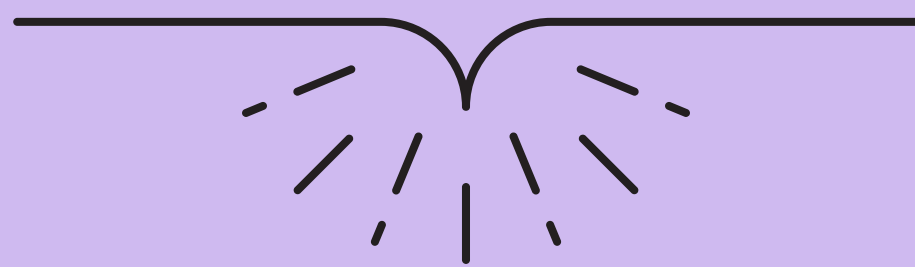

Amber brings you wisdom, balance and patience. It clears depression, stimulates the intellect, and promotes self-confidence.

[SHOP AMBER](#)

AQUARIUS

This month could bring you a fast pace connected to your friends, Aquarius. You could be meeting new people but beware of some misguided information that could emanate from this. A learning experience could be received by you that could cause you unfounded worries, though love and understanding on your part could mitigate any wrongdoing. You could be feeling somehow confused about your role in the past and what is expected from you in the present; lots of communication could be very enlightening to you.

AQUARIUS'S LUCKY CRYSTAL

Amazonite is able to bring better clarity and authenticity to the soul by tapping into both your intellect and intuition.

[SHOP AMAZONITE](#)

PISCES

Pisces, this month is all about shifting your goals and removing any limits that have been set in your way this year. Reflect on your needs and desires so you can define how you want to move forward — and don't skip spiritual work! This is the optimal time to start manifesting your dreams. Being into what you want to create and bring to the world. The more you begin to connect with your visions, the easier it will be to make them a reality.

PISCES'S LUCKY CRYSTAL

Aquamarine brings down your stress level and enhances your confidence.
