

Valdani 3-Strand Floss Club

We are very excited to offer the Valdani 3-Strand Floss Club for the first time at The Little Quilt Store! Valdani is the original creator of THE thread for Punchneedle! You do not separate the skein anymore – no pre-cutting, no thread waste! Just thread your needle onto the ball and start punching! No trouble, just fun!!!

You may start your membership in this club at any time. You will collect 10 different floss/thread colors each month for a year, ending up with 120 floss/thread colors in total, ranging from the subtle, muddy colors that Lynette loves and including some of the brighter colors that many of you enjoy.

We have included a **sign-up form**. We would love to have you join us and have the fun of collecting your Valdani floss each month.

Please note that we require one month's notice in writing to cancel this program as we order the threads one month in advance.
