Depth (mm) - D1	230
Depth (wall to face) (mm) - D2	202 or 202
Pipe centres from wall (mm) - D3	157 or 167
Width (mm)	78
Dry weight (kg)	12.50
Water content (L)	3.00
Max no. factory built sections	15

Joining key
 Model / Code **Z1000-02**
 Blenheim joining key **£160 ex VAT** **£192 inc VAT**

We will always strive to keep on-site assembly to a minimum, but for the majority of our radiators, on-site assembly will be required. Full instructions and parts will be supplied, although a joining key tool will need to be purchased separately on a sale/return basis.

To calculate the length of the radiator, multiply the number of sections by 78mm, then add 21mm for reducing bushes. Please note there is a +/- 3mm manufacturer's tolerance per section. We strongly recommend not setting pipework until the radiator has been delivered.

Shown here in Light Old Penny finish with Nostalgia brass thermostatic valves and traditional brass pipe sleeves.
