

FROND

PENDANT SML

Dimensions
Ø36 x h25cm

INFORMATION

Material

Corrugated polypropylene laminated in cotton book cloth or metallic vinyl. All pendants come fully assembled and have been safety tested by the UK Lighting Association. Ref: BS EN 60598-1: 2008

Components

Includes a white E27 pendant set with a 2m cable drop. This set will not be included outside of the EU/EEA zone unless the country has compatible voltage standards.

Recommended bulb

Opaque E27, 40W GLS or 7W CFL/LED globe bulb. Not included.

Cleaning

Use a lint roller or lint tape to remove dust from the outside of the pendant. The inside is treated with an anti-static solution to prevent the build up of dust and can be gently wiped with a damp cloth. Use a pipe cleaner to remove dust from the inner flutes.

FINISHES
