

RUME

POWIS SECTIONAL - STEEL LEGS

Have no doubt, the Powis is the perfect answer to almost any sectional sofa situation, attaining a perfect balance with ease.

Size: Built entirely to individual specification.
Frame: Kiln dried beech, glued, screwed and dowelled.
Upholstery: Lattice platform. Various density foam. Felt. Dacron.
Cushions: Duck feather over reflex seat. Duck feather and fibre blend back.
Legs: Brushed stainless steel, made to order. (Oak also available).
Fabric: Fabric or leather of your choice by correspondence.
Origin: Designed and made in England by Richard Baker and Rume Associates.

The price for a Powis sectional sofa is dependent on the size you require and your preferred fabric. Each sofa is different and is priced accordingly. If you have a particular corner sofa layout in mind or would like some help designing one why not contact us and we can get the ball rolling. Once we have worked out your size and fabric requirements we will be able to give you drawings and an accurate quotation including transport which is based on distance and passed on at cost. Lead time is usually about ten weeks and our delivery team will place the sofa in its correct position and remove any packing. A Powis sectional is singular, beautiful and very hardy, designed to elegantly withstand anything life throws at it.
