

# RUME

## SELF

The wing chair is a very familiar English form. Self, however, is all about the drama, magnificent to behold from all angles.

Frame: Kiln dried beech, glued, screwed and dowelled.

Upholstery: Blind seams. Back seam detail with buttons.

Seat: Hand sprung fully upholstered.

Back: Hand sprung fully upholstered.

Legs: Solid ash, oak or walnut, natural or stained, low sheen.

Fabric: Fabric or leather of your choice through correspondence.

Self armchair      W: 82cm      D: 88cm      H: 112cm      Fabric required: 6 mtrs      Leather required: 8 sq. mtrs

The Self can be made with pointed or blunt wings. The back buttons can be matching or contrasting. A hand carved ball and claw front leg is also available.
