## SESSION

In a world where very little that is original is allowed enough oxygen to catch fire I give you the Session.

Frame: Kiln dried beech, plywood, glued, screwed and dowelled.

Upholstery: Fully upholstered seat, buttoned back. Blind seams.

Seat: Various density shaped foam over steel coil springs.

Back: Reflex foam and felt over steel serpentine springs.

Legs: 8mm stainless steel, individually bent, Tig welded and ground.

Fabric: Fabric or leather of your choice through correspondence.
