

**Castellari Lopper Pivot Bolt Location Guide
(applies for Potatore, Tucano C60 and C80 and Tucano M)**

NB: In the case of the C 223 T2 Bolt, this has a Locking Nut on the opposite side that is required to secure the bolt in place. The code for the nut is C 226.

The C 224 T3 Bolt fits through a Bush, code is C 225.
