LEATHER CARE SUGGESTION

CONSIGLI MANTENIMENTO PELLI

To preserve the technical and aesthetic qualities of the products for a long time, it is important to treat them correctly.

- Clean your leather product with a damp cloth without scratching, don't soak any of your products in water or soap.

- Avoid stains from certain foods and liquids, such as: wine, chili, oil, saffron, curry, berries, pomegranate as they may result in permanent damage, if not removed immediately. Be extra careful with lighter leather colours.

- Do not place hot items, on your product.

- Avoid exposure to direct sunlight for longer periods of time, as this may harm the leather structure of your product.

- Make sure to place your leather products on dry and plain surfaces only.

Per conservare a lungo le qualità tecniche ed estetiche dei prodotti, è importante trattarli e conservarli correttamente.

- Pulire la pelle solo con un panno umido senza graffiare, non immergere i prodotti in acqua o sapone.

- Evitare le macchie di alcuni alimenti e liquidi, come: vino, peperoncino, olio, zafferano, curry, frutti rossi... in quanto potrebbero causare danni permanenti, se non puliti immediatamente. Fare molta attenzione con i colori più chiari della pelle.

- Non posizionare oggetti caldi sui prodotti.

- Evitare un'esposizione prolungata alla luce solare diretta, ciò potrebbe danneggiare il prodotto.

- Assicurarsi di posizionare i prodotti in pelle solo su superfici asciutte.

Please mind that leather colours may slightly change depending on the dye lot.

Due to this, we kindly remind that colours are to be considered as an indication.

I colori della pelle possono cambiare leggermente in base al lotto di produzione.

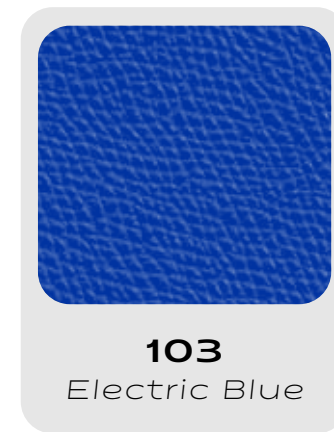

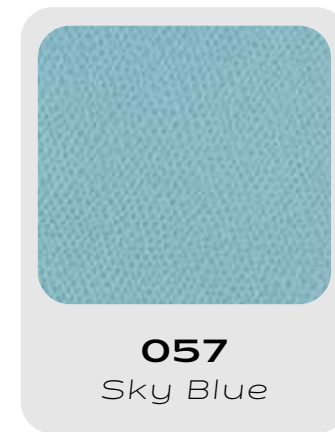

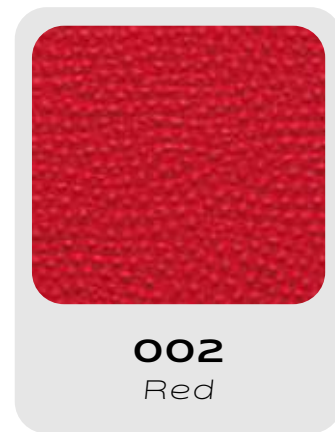

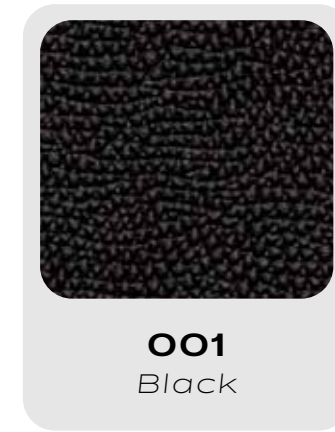

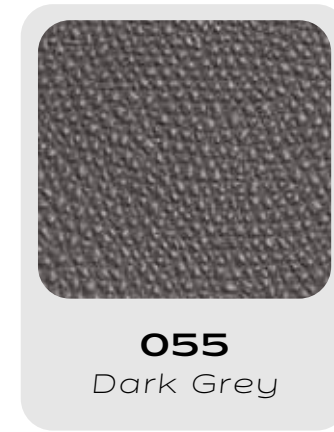

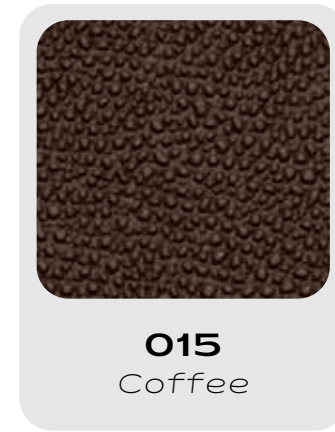

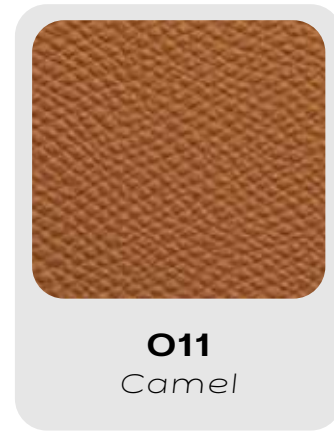

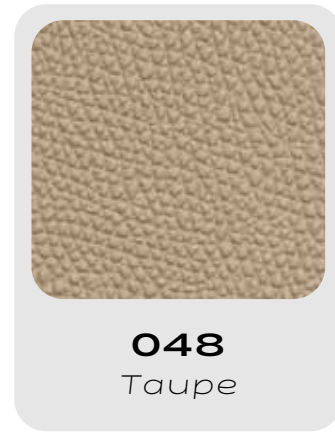

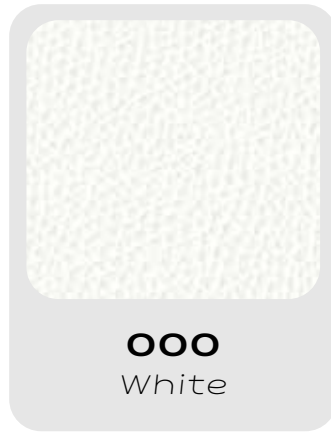

I colori sono puramente indicativi.
