

DIGITAL HOME SCHEDULE VISUALS

This is a set of moveable images for creating visual schedules in distance learning. There are schedule pieces and boards for:

- Schoolwork at home
- Brushing teeth
- Getting dressed
- Morning routine (including shower, bathing)
- Doing the laundry
- Washing dishes (with and without a dishwasher)

FEATURES

- All the boards and schedules on Google Apps for easy transfer to students' home
- Send just the slides you need for each student so as not to overwhelm families with too many choices
- Pieces are moveable so that custom schedules can be made with different activities/steps
- Pieces can be resized to fit more or less on each board
- There are landscape and portrait-oriented boards to put pieces on so that you can choose whether your student follows top-to-bottom or left-to-right.
- Schedules can be used on tablets or phones as well as the computer (or you could print them out)
- Premade schedules included for most
