

DURATOOL

HOG RING PLIERS

The Duratool Hog Ring Pliers are designed for secure and efficient fastening of fencing and wire mesh, making them ideal for agricultural, industrial, and DIY applications. Each plier set includes a matching box of staples, offering a ready-to-use solution for tough fastening jobs.

KEY FEATURES

- **Two Size Options:** Tailored for different fence types and mesh sizes.
- **Included Staples:** Comes with a matching box of staples for instant use.
- **Self-Feeding Magazine:** Enables one-handed operation and faster fastening.
- **Ergonomic Grip:** Reduces hand fatigue during prolonged use.
- **Rugged Construction:** Built to withstand outdoor and heavy-duty conditions.
