Long lasting on the skin, sophisticated and small enough to pop in your pocket, Curio Noir's Pocket Parfum (50ml), \$50, is the perfect travel companion. Our favourite, Diaphanous, has notes of mandarin, sambac jasmine, saffron, narcissus absolute and cayenne. curionoir.com

Air travel can be very dehydrating, which is why we love Evolu's Skin Rescue Soothing Eye Gel, \$55. This blend of aloe vera, eyebright extract and arnica reduces puffiness and skin discomfort. In fact, Evolu founder Kati Kasza uses it all over her face on long flights. evolu.com

Perfect for the car glovebox or camping kit, Zoono Hand Sanitiser, \$6.50, offers 24-hour germ protection, is non-toxic, safe for children and animals. It is also water-based and non-flammable. zoono.com

Stopping and having a break is often when we get sick, which is where Puriti Premium Pure Manuka Lozenges can come to the rescue. These soothing lozenges, \$15, come in a pack of eight, taste delicious and are Monofloral Certified UMF 12+ and MGO 400+. puriti.com

Loxy's Clip In Hair Extensions, \$299 each, made with ethically sourced hair provides instant glam on the go and come in several shades. loxys.co.nz

Perfect for taking on holiday to the bach, Aesop's The Familiar Horizon kit, \$113, contains Istros Aromatique Room Spray, Post-Poo Drops, and Aesop Mouthwash. All handy to have when sharing a bathroom! aesop.com

After a long flight, car journey or rough night's sleep camping, Nature's Kiss Anti-Flamme, \$26, will relieve and rescue sore muscles with its healing combination of arnica, calendula, hypericum and peppermint oils. antiflamme.co.nz
