

# HILI 17 PENDANT

Designed by Tuukka Halonen

## DESIGN & INSPIRATION

Hili 17 is a brand-new pendant made of innovative fire-retardant technical foam. Because of its' light weight and durability it's a perfect fixture for bars, cafes, restaurants and high traffic environments. It is available in black foam with black cord. Hili was designed by Tuukka Halonen. Tuukka is a Finnish designer with an international background. He studied at the Roayl College of Art in London and worked several years for Habitat and Tom Dixon's Design Office.
