

LOOK FEEL BE

A GIRL'S NIGHT IN (CELEBRITY STYLE)

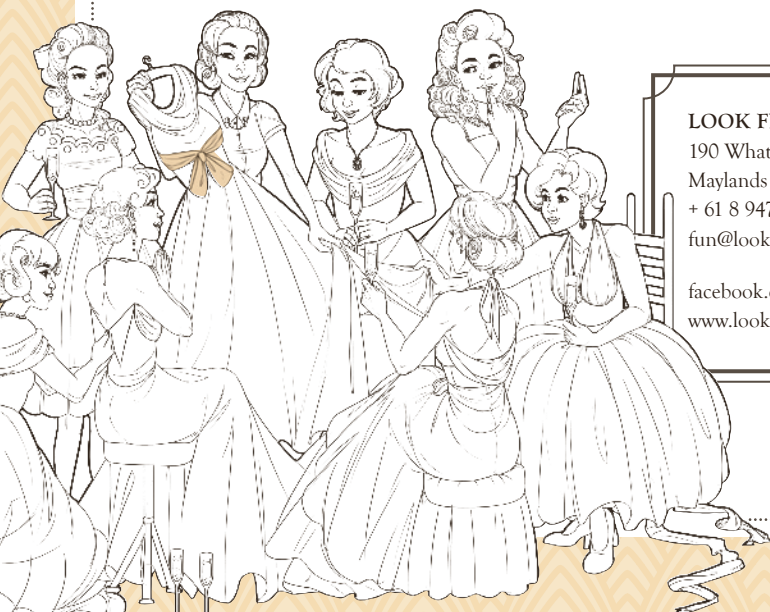

Have your very own Look Feel Be party after hours ...

Host a LFB styling soiree where our fashion knowledge is shared and your body shape and style personality discovered. Get the inside gossip on what the key looks are for the coming season to suit you and enjoy LFB VIP offers on the night.

Invite between 5 and 10 like-minded friends (leave any negative Nancy's at home as the night is all about fun and experimenting in things you might not otherwise think to wear) and settle in for dress-ups, make-up advice, even vintage hair styling tips while enjoying our 1940s French Inspired boutique. We will tailor the event to suit your needs.

Complimentary Champagne is offered and light food packages are \$15 per guest (paid at the time of booking).

A \$70 credit is offered to the host to use on any purchases made on the night as a thank you for sharing your friends with us.
