SOPHISTICATE'S

BIG BEAUTY GIVEAWAY

★**COLOR POP** Glam brand MGS wants to add a pop of color to your makeup bag. Win a collection of nine stand-out shades with the *Cocoa Swirl* Eyeshadow Palette where matte, shimmer and glitter colors all rest in one convenient palette. Slide on one of three Liquid Lipsticks in *Posh* (dusty pink nude), *Frisky* (rich purple) or *Fierce* (rust). All of the lipstick shades carry a matte finish with long-lasting wear. Play it up for nighttime or keep it modest during the day! ★**GROOM TOOL** Great for guys on the go, this cordless trimmer by Andis runs on batteries to keep you looking fresh whenever, wherever. Rust-proof blades made

of surgical stainless steel clean easily and a protective cap keeps the blades safe for traveling. The FastTrim technology is quick and safe to use for trimming nose and ear hair, too, keeping everything in check. The FastTrim Cordless Personal Trimmer is just the perfect tool to complete any at-home grooming kit. ★**SKIN DETOX** Tighten and tone your skin with this pure and natural mask from NuReveal. The woman-owned brand creates vegan skincare products and the Organics Yin Mask Activated Charcoal & Clay will have your face glowing. Green clay removes dead skin cells through exfoliation and

charcoal draws out impurities while detoxifying the skin. It's fun to mix and paint on the clay mask, which can be blended with herbal tea to revitalize, or milk to calm the skin. ★**SILKY STRAIGHT** Frizzy or flat, kinky or curly, Glister hair tools were created with technology to function on all hair types. And the Paradise Flat Iron definitely has it all: gorgeous pearlescent tones to compliment your style, a swivel cord so you never get tripped up, no-slip grip to stop drops, and convenient of worldwide voltage plug-in. It's even infused with tourmaline gemstone, which balances heat distribution to fight frizz and keep the iron from

overheating. Silkier and smoother strands are just a win away! ★**DREAM DRY** Throw on this bonnet cap and let the drying power of Gold 'N Hot get to work. The cap allows for hands-free drying, ideal for multitasking while you're getting ready. The compact dryer contains negative ions to maintain a neutral charge, leaving the hair conditioned and frizz-free. A drawstring hose delivers hot air and it snaps easily back into the unit for easy storage. Not to mention the 800 watts of professional power with four heat settings. Throw in a few flexi rods or rollers and let the Professional Ionic Soft Bonnet Dryer work its magic.

Tea-tree oil stimulates scalp circulation while amino acids strengthen the hair shaft, and zinc PCA strips away greasy oils.
